Aditya Birla Sun Life Dividend Yield Fund

PART I. HIGHLIGHTS/ SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the scheme	Aditya Birla Sun Life Dividend Yield Fund
II.	Category of the Scheme	Dividend Yield Fund
III.	Scheme type	An open ended equity scheme predominantly investing in Dividend yielding stocks
IV.	Scheme code	ABSL/O/E/DYF/03/01/0020
V.	Investment objective	The objective of the scheme is to provide capital growth and income by investing primarily in a well-diversified portfolio of dividend yielding companies. The Scheme does not guarantee/indicate any returns. There can be no assurance that the objective of the Scheme will be achieved.
VI.	Inception Date	February 26, 2003
VII.	Liquidity/listing details	The Scheme being offered through this Scheme Information Document is an open ended Scheme. The Scheme will offer for purchase/switch-in and redemption/switch-out of units at NAV based prices on every Business Day on an ongoing basis. The Mutual Fund shall transfer the Redemption proceeds within three working days from the date of Redemption or repurchase.
VIII.	Benchmark (Total Return Index)	NIFTY 500 Total Return Index (Tier 1 Benchmark) Nifty Dividend Opportunities 50 Total Return Index (Tier 2 Benchmark) The Nifty 500 Total Return Index tracks broader Indian equity market. The investible universe of the scheme is market-cap agnostic therefore, the benchmark would be appropriate to compare performance of the Scheme. The NIFTY Dividend Opportunities 50 Total Return Index is designed to provide exposure to high yielding companies listed on NSE while meeting stability and tradability requirements. The methodology employs a yield driven selection criteria that aims to maximize yield while providing stability and tradability. Currently the index comprises of 50 companies listed at the National Stock Exchange (NSE).
IX.	NAV disclosure	The NAVs will be calculated and disclosed for every Business Day. NAV of the scheme will be calculated up to two decimal places. AMC reserves the right to calculate NAV more than two decimal places. AMC shall update the NAV on the AMFI website (www.amfiindia.com) and on the website of the Mutual Fund (www.mutualfund.adityabirlacapital.com) 10.00 am, of the immediately succeeding Business Day. The Scheme has investment in overseas securities, valuations of which are declared as per their different time zones, day light savings and market hours. The revision in the time limit for disclosure of NAV is to capture same day price of such underlying overseas investment, while computing NAV of the Scheme. The scheme is permitted to take exposure to overseas securities. In such cases where the scheme has taken exposure to overseas securities, the NAV of the scheme would be declared by 10.00 a.m. of the immediately succeeding Business Day. In case, the scheme ceases to hold exposure to any overseas securities, the NAV of the scheme for that day would continue to be declared on 10.00

Aditya Birla Sun Life Dividend Yield Fund

		am on the immediately succeeding Business Day. Subsequent to that day, NAV of the scheme shall be declared on 11.00 p.m., on the same business day. Further, the Mutual Fund / AMC will extend facility of sending latest available NAVs of the Scheme to the Unit holders through SMS upon receiving a specific request in this regard. Also, information regarding NAVs can be obtained by the Unit holders / Investors by calling or visiting the nearest ISC. For further details, please refer to Section II.
X.	Applicable timelines	• Dispatch of redemption proceeds: The Mutual Fund shall transfer the Redemption proceeds within three working days from date of receipt. However, in case of exceptional circumstances as provided by AMFI vide its letter no. AMFI/ 35P/ MEM-COR/ 74 / 2022-23 dated January 16, 2023, the redemption or repurchase proceeds will be transferred / dispatched to Unitholders within the time frame prescribed for such exceptional circumstances. For further details, investors are requested to refer to Statement of Additional Information (SAI). A penal interest of 15% p.a. or such other rate as may be prescribed by SEBI from time to time, will be paid in case the payment of redemption proceeds is not made within the stipulated timelines. • Dispatch of IDCW: The IDCW payment shall be made to the unitholders within 7 working days from record date.
XI.	Plans and Options Plans/Options and sub options under the Scheme	Plan - The Scheme will have Regular Plan and Direct Plan with a common portfolio and separate NAVs. Investors should indicate the Plan for which the subscription is made by indicating the choice in the application form. • Options under each Plan(s): 1. Growth Option and 2. Income Distribution cum capital withdrawal ("IDCW") Option (Payout of IDCW/ Reinvestment of IDCW/ IDCW Sweep Facility)^ <i>^the amounts can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains</i> • Default Option/ Sub-Option: Growth Option For detailed disclosure on default plans and options, kindly refer SAI.
XII.	Load Structure	Exit Load: - For redemption / switch-out of units on or before 90 days from the date of allotment: 1.00% of applicable NAV. - For redemption / switch-out of units after 90 days from the date of allotment: Nil. The Load Structure is subject to change from time to time and shall be implemented prospectively and will be calculated on First in First Out (FIFO) basis. For further details on Load Structure, please refer Section IV of this Scheme Information Document.
XIII.	Minimum Application Amount/switch in	For Lumpsum Investment- Fresh Purchase (Incl. Switch-in): Minimum of Rs. 1,000/- and in multiples of Re. 1/- thereafter For Weekly/Monthly Systematic Investment Plan: Minimum of Rs. 100/- and in multiples of Re. 1/- thereafter.

Aditya Birla Sun Life Dividend Yield Fund

		Daily Systematic Investment Plan (SIP): Rs 100/- and in multiples of Re. 1/- thereafter availed through physical mode and Rs 10/- and in multiples of Re. 1/- thereafter availed through online mode and digital platforms. Note – For investments made by designated employees of Aditya Birla Sun Life AMC Limited in terms of para 7.14 of SEBI Master Circular on Mutual Funds, requirement for minimum application/ redemption amount will not be applicable.
XIV.	Minimum Additional Purchase Amount	Additional Purchase (Incl. Switch-in): Minimum of Rs. 1,000/- and in multiples of Re. 1/- thereafter
XV.	Minimum Redemption/switch out amount	Repurchase for all Plans/Options: Re. 1/- and in multiple of Re. 1/- thereafter. In case of partial redemption, if the balance amount held in the unitholder's folio/account under the plan/option of the scheme(s) is less than Re.1, then the transaction shall be treated as "All Units' redemption and the entire balance of available units in the folio/account of the unitholder shall be redeemed.
XVI.	Segregated portfolio/side pocketing disclosure	Not Applicable
XVII.	Swing pricing disclosure	Not Applicable
XVIII.	Stock lending/short selling	Subject to SEBI (MF) Regulations and in accordance with Securities Lending Scheme, 1997, and para 13.6 of SEBI Master Circular on Mutual Funds, as amended from time to time, the Scheme may engage in Stock Lending not more than 20% of the net assets of the Scheme.
XIX.	How to Apply and other details	Application form and Key Information Memorandum may be obtained from the designated offices / ISCs of AMC or Investor Service Centres (ISCs) of the Registrar or distributors or downloaded from www.mutualfund.adityabirlacapital.com. Please refer to the Section II for further details.
XX.	Flexibility	The Mutual Fund will allow investors the flexibility to switch their investments (subject to minimum application amount under the scheme) from any other scheme(s) / plans managed by Mutual Fund, as per the features of the respective scheme offered by the Mutual Fund to Aditya Birla Sun Life Dividend Yield Fund on an ongoing basis (subject to completion of lock-in period, if any, of the units of the scheme(s) from where the units are being switched).
XXI.	Investor services	• Contact details for general service requests: Investors may contact the ISCs or the office of the AMC for any queries /clarifications. The Head Office of the AMC will follow up with the respective ISC to ensure timely redressal and prompt investor services. • Contact details for complaint resolution: Ms. Keerti Gupta can be contacted at the office of the AMC at One World Center, Tower 1, 17th Floor, Jupiter Mills, Senapati Bapat Marg,

Aditya Birla Sun Life Dividend Yield Fund

		Elphinstone Road, Mumbai – 400013. Contact Nos: 1800-22-7000 / 1800-270-7000 (Toll free) Email: care.mutualfunds@adityabirlacapital.com For any grievances with respect to transactions through Stock Exchange Platform for Mutual Funds, the investors should approach either the stock broker or the investor grievance cell of the respective stock exchange.
XXII.	Specific attribute of the scheme (such as lock in, duration in case of target maturity scheme/close ended schemes) (as applicable)	Not Applicable
XXIII.	Special product/facility available on ongoing basis	• SYSTEMATIC INVESTMENT PLAN (SIP) SIP allows investors to invest money in scheme of Aditya Birla Sun Life Mutual Fund on a regular basis. Applicants can avail of SIP facility by filling up the relevant application form available at branch offices / ISC / OPTs. Investors have the option of: - Monthly Systematic Investment Plan - Weekly Systematic Investment Plan and - Daily Systematic Investment Plan Step-Up SIP: 'Step-Up SIP', is an optional, add-on feature, and an enhancement to Systematic Investment Plan (SIP) facility available under the scheme. This feature enables the investors to enhance/increase SIP installment at pre-defined intervals by a fixed amount, thus, providing the investors a simplified method of aligning SIP installments amounts with increase in earnings over the tenure of SIP. Micro SIP: As per AMFI notification and Guidelines issued on July 14, 2009, SIPs without life insurance cover or lumpsum by eligible investors where aggregate (under all schemes of Mutual Fund) in a rolling 12 month period or in a financial year i.e. April to March does not exceed Rs. 50,000 (known as "Micro SIP") shall be exempted from the requirement of PAN. Multi Scheme SIP Facility The Facility enables investors to subscribe under various Schemes through SIP using a single application form and payment instruction. All provisions as applicable to investments under the existing Systematic Investment Plans offered under the Schemes of the Fund will be applicable to this Facility except as stated below: - Under this Facility, payment only in respect of the first installment can be made using a single cheque. The payment for all the subsequent installments will have to be through the auto-debit/standing instruction/NACH facility provided by the banks. - Currently, the maximum number of Schemes in which investments can be made using a single SIP application Form shall be 3 (three). Aditya Birla Sun Life AMC Ltd reserves right to extend the facility to more than 3 (three) schemes in future.

		c. The Facility is available only to those investors who wish to invest through SIP in more than one Scheme using a single application form. d. The Facility can be used for investments made on a weekly or monthly basis. e. The date of investments under SIP in respect of all Schemes registered by the investor through the Facility should be uniform. However, the amount of investments in the Schemes through the Facility can be different subject to the requirement of minimum amount of investment criteria as mentioned for the respective Scheme. f. If the maximum period for investments through SIP under the Facility is not indicated by the investor, the auto-debit/standing instruction/NACH facility will continue till further instructions from the investor from the date of 1st installment. SIP for Life* SIP for Life will allow investors to invest via Systematic Investment Plan ("SIP") in the eligible schemes of the Fund for a specified duration. Post completion of the SIP tenure, Systematic Withdrawal Plan ("SWP") will commence from the same scheme or different scheme as selected by the investor. Investors can specify any SWP amount of their choice. SIP Step - Up:- This facility is introduced under Aditya Birla Sun Life SIP for Life. This feature will be offered at an annual frequency with a minimum step up amount of Rs. 100 and in multiples of Rs. 100 thereafter. SWP amount will be increased in accordance with SIP Step-up amount for investors who have not specified SWP amount. SIP Pause Facility As per this Facility the investors will have an option to pause their SIP investment for specified number of instalments and SIP would restart from the immediate month after completion of the pause period specified by the investor. Reinstatement of SIP Pause: As per this facility, investors can reinstate their paused SIP at any time by submitting a written request through physical mode 10 business days prior to the immediate next SIP date. For requests received at shorter notice i.e., less than 10 business days from SIP due date, SIP will be re-instated from the subsequent installment. • SYSTEMATIC TRANSFER PLAN STP allows the Investors to invest by transfer of a fixed amount from any of the following schemes to any open ended scheme of Aditya Birla Sun Life Mutual Fund. Value Systematic Transfer Plan (Value STP): Value Systematic Transfer Plan, is a facility (hereinafter referred as 'Value STP') wherein Unit holder(s) of eligible open-ended Scheme(s) of Aditya Birla Sun Life Mutual Fund [hereinafter referred to as "Fund"] can opt to systematically transfer amount(s), which may vary based on the value of investments already made/transferred under this facility, on the date of transfer at pre-determined intervals from open-ended Scheme(s) of the Fund [hereinafter referred to as "Transferor Scheme"] to the Growth Option of open-ended equity Scheme(s) of the Fund Capital Appreciation Transfer Plan (CATP):
--	--	--

Aditya Birla Sun Life Dividend Yield Fund

		Capital Appreciation Transfer Plan (CATP) is a facility wherein the Unitholders can opt for the Systematic Transfer Plan by providing instruction to transfer capital appreciation at regular intervals - Monthly or Quarterly under the open-ended Scheme(s) of the Fund (except ETFs of Aditya Birla Sun Life Mutual Fund). Aditya Birla Sun Life Choti SIP ("Choti SIP") Aditya Birla Sun Life Choti SIP ("Choti SIP") is a facility Investors can avail Choti SIP by investing via Systematic Investment Plan ("SIP") in the schemes of the Fund with Rs. 250/- restricted to three SIP's (only one each in upto three Asset Management Companies). Choti SIP shall be offered only under Growth option of the Schemes. The mode of payment/investment for Choti SIP shall be restricted to NACH and UPI auto pay only. The minimum number of instalments for availing Choti SIP shall be 60 instalments, however, early withdrawal of the instalments is not restricted. Any investor having investments in the schemes of any Mutual Funds or any SIP investment other than Choti SIP or a lumpsum investment across any Mutual Funds, in that case, the said investor shall be considered ineligible under Choti SIP. Turbo Systematic Transfer Plan ("Turbo STP") Facility. Aditya Birla Sun Life Turbo Systematic Transfer Plan ("Turbo STP") is a facility wherein unit holder(s) can opt to transfer variable amount(s) from designated open ended Scheme(s) of the Fund [referred to as "Source Scheme"] to the designated open ended Scheme(s) of the Fund [referred to as "Target Scheme"] at defined intervals. The Scheme will be available as a Target Scheme in Turbo Systematic Transfer Plan ("Turbo STP") Facility. • SYSTEMATIC WITHDRAWAL PLAN Investors can fulfill their regular income needs by giving standing instructions about the amount to be withdrawn every month or quarter/half yearly/annual basis. Further a unitholder can withdraw a specified sum of money on from the investments in the eligible open ended schemes of the fund. While a fixed sum will be paid on request and the remaining part of the investment will continue to earn returns. • SWITCHING Inter - Scheme Switching option Unit holders under the Scheme have the option to Switch part or all of their Unit holdings in the Scheme to other schemes managed by the Mutual Fund and vice versa, as per the features of the respective scheme. Intra-Scheme Switching option: Unit holders under the Scheme have the option to Switch their Unit holdings from Growth option to IDCW option or vice-versa. • WEB BASED TRANSACTIONS The Mutual Fund may allow subscriptions / Redemption of Units, during the period when the ongoing subscription list is opened by the Trustees, by electronic mode through the various websites with whom the AMC would have an arrangement from time to time.
--	--	---

Aditya Birla Sun Life Dividend Yield Fund

		• TRANSACTIONS THROUGH STOCK EXCHANGE PLATFORM FOR MUTUAL FUNDS: ABSLAMC, shall enter into arrangements with NSE and BSE to facilitate purchase / subscription and redemption / repurchase of units of the scheme on an ongoing basis at any time after the scheme reopens for purchase and sale. • TRANSACTION THROUGH MOBILE PHONES (MOBILE INVESTMENT MANAGER FACILITY): AMC has entered into an arrangement with a service provider for facilitating certain transactions in units of the designated Scheme/s (except for Open ended Liquid schemes i.e. ABSL Liquid Fund, ABSL Money Manager Fund and ABSL Overnight Fund) of Aditya Birla Sun Life Mutual Fund by the existing investors which, inter alia, requires registration process to be complied with by the investor. • INTERBANK MOBILE PAYMENT SERVICE ("IMPS") FACILITY: Interbank Mobile Payment Service ("IMPS") facility, an additional mode of subscription/investment, is being made available. IMPS is a platform provided by National Payments Corporation of India ("NPCI") that can allow existing unitholders(s) to use mobile technology/instruments as a channel for accessing their bank accounts and initiating interbank fund transaction in a convenient and secure manner. (Unitholder may refer to www.npci.org.in for further details on IMPS platform). • TRANSACTIONS THROUGH SMS - 'SMS TRANSACT': Aditya Birla Sun Life AMC Ltd has decided to facilitate certain transactions through 'SMS' in units of Scheme offered through this SID, by the existing unitholders which, inter alia, requires registration process to be complied with by the unitholder. • TRANSACTION THROUGH MF UTILITY MF Utility ("MFU") - a shared services initiative of various Asset Management Companies, which acts as a transaction aggregation portal for transacting in multiple Schemes of various Mutual Funds with a single form and a single payment instrument. Aditya Birla Sun Life AMC Limited has entered into arrangement with MF Utilities India Private Limited (MFUI), a "Category II - Registrar to an Issue" under SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 to facilitate financial transactions viz. purchase / subscription and redemption / repurchase of units of the scheme and non-financial transactions. For further details of above special products / facilities including the terms and conditions, kindly refer to Statement of Additional Information (SAI).

Aditya Birla Sun Life Dividend Yield Fund

PART II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, the asset allocation of the Scheme will be as follows:

Instruments	Indicative Allocation (% of total assets)	
	Minimum	Maximum
Equity & Equity related instruments of dividend yielding companies #	80%	100%
Equity and Equity related instruments of companies other than above	0%	20%
Units issued by InvITs	0%	10%
Money Market & Liquid* instruments	0%	20%

including REITS

*as defined by SEBI

Indicative Table (Actual instrument/percentages may vary subject to applicable SEBI circulars)

Type of Instrument	Percentage of exposure	Circular references
Securities Lending	(i) Not more than 20% of the net assets of the Scheme can be deployed in Stock Lending; and (ii) Not more than 5% of the net assets of the Scheme can be deployed in Stock Lending to a single intermediary level.	Para 13.6 of SEBI Master Circular on Mutual Funds
Equity Derivatives for non-hedging purposes	The Scheme may also invest upto 50% of the portfolio (i.e. net assets including cash) in such derivative instruments as may be introduced from time to time subject to framework specified by SEBI, for the purpose of hedging and portfolio balancing and other uses as may be permitted under SEBI Regulations.	Para 13.15 of SEBI Master Circular on Mutual Funds
Mutual Fund	The Scheme may invest in units of Liquid, Money Market and Overnight Schemes upto 20% of the net assets of the Scheme.	As per Clause 3 of Sixth Schedule of SEBI (Mutual Funds) Regulations, 2026.
Overseas Securities	Under normal circumstances the scheme shall not have an exposure of more than 25% of its net assets in overseas securities.	Para 13.11 of SEBI Master Circular on Mutual Funds
Units of Infrastructure Investment Trusts (InvITs)	The Scheme shall not invest: - more than 10% of its NAV in the units of InvIT; and - more than 5% of its NAV in the units of InvIT issued by a single issuer.	Para 13.13 of SEBI Master Circular

Aditya Birla Sun Life **Dividend Yield Fund**

	The fund under all its schemes should not invest more than 10% of units issued by a single issuer of InvIT.	
Short selling	The scheme shall not indulge in short selling.	NA
Credit Default Swaps	The scheme will not invest in Credit Default Swaps.	N.A.

Considering the inherent characteristics of the scheme, equity positions would have to built-up gradually and also sold off gradually. This would necessarily entail having large cash position before the portfolio is fully invested and during periods when equity positions are being sold off to book profits/losses or to meet redemption needs.

While the bulk of investments would be in dividend yielding stocks, the scheme may, from time to time, in order to encash on certain opportunities, invest in 'special situations' like delisting opportunities, mergers and acquisitions, spinoffs etc. These 'special situations' entail very low risk and at the same time have a good potential to boost returns. However, the Fund Manager expects such opportunities to be rare.

The portfolio would be reviewed quarterly to address any deviations from the allocations due to market changes.

The Scheme retains the flexibility to invest across all the liquid and money market instruments as permitted by SEBI / RBI from time to time.

Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. SEBI vide letter dated November 3, 2021, has clarified that Cash Equivalent shall consist of Government Securities, T-Bills and Repo on Government Securities.

Money Market Instruments include commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity upto one year, call or notice money, certificate of deposit, usance bills, Tri-party Repo on Government securities or treasury bills (TREPS) and any other like instruments as specified by the Reserve Bank of India from time to time.

In line with para 13.18 of SEBI Master Circular on Mutual Funds, the cumulative gross exposure to equity, equity related instruments, liquid instruments, money market instruments and such other securities/assets as may be permitted by the Board from time to time subject to regulatory approvals, if any should not exceed 100% of the net assets of the Scheme.

Portfolio Rebalancing

Rebalancing due to Short Term Defensive Consideration

Due to market conditions, the AMC may invest beyond the range set out in the asset allocation. Such deviations shall normally be for a short term and defensive considerations as per para 1.9.1.b of SEBI Master Circular on Mutual Funds, and the fund manager will rebalance the portfolio within 30 calendar days from the date of deviation.

Rebalancing due to Passive Breach:

Further, as per para 3.11 of SEBI Master Circular on Mutual Funds, as may be amended from time to time, in the event of deviation from mandated asset allocation or various prudential limits prescribed by the SEBI, *inter-alia*, including issuer limits, group limits and sector limits etc. due to passive breaches (occurrence of instances not arising out of omission and commission of AMCs), the fund manager shall rebalance the portfolio of the Scheme within 30 Business Days. In case the portfolio of the Scheme is not rebalanced within the period of 30 Business Days, justification in writing, including details of efforts taken to rebalance the portfolio shall be placed before the Investment Committee of the AMC. The Investment Committee, if it so

Aditya Birla Sun Life Dividend Yield Fund

desires, can extend the timeline for rebalancing up to sixty (60) Business Days from the date of completion of mandated rebalancing period. Further, in case the portfolio is not rebalanced within the aforementioned mandated plus extended timelines the AMC shall comply with the prescribed restrictions, the reporting and disclosure requirements as specified in para 3.11 of SEBI Master Circular on Mutual Funds.

B. WHERE WILL THE SCHEME INVEST?

Subject to the Regulations, and the specific asset allocation as provided for each of the scheme, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

1. Money Market Instruments include Commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity upto one year, call or notice money, certificate of deposit, usance bill and any other like instruments as specified by the Reserve Bank of India/SEBI from time to time subject to regulatory approvals, if any.
2. Liquid instruments shall include cash, bank deposits with Scheduled Commercial Banks, Government Securities, Treasury bills, Repo on Government securities and any other instruments as specified by SEBI.
3. Equity and Equity related instruments including REITs, convertible debentures, convertible preference shares, warrants carrying the right to obtain equity shares, equity derivatives and such other instrument as may be specified by the Board from time to time.
4. Derivative instruments like Interest Rate Swaps, Forward Rate Agreements, Stock Index Futures, Stock Options, Index Options and such other derivative instruments permitted by SEBI/RBI.
5. Foreign securities as permitted by RBI and SEBI.
6. Units of Liquid, Overnight and Money Market Schemes including Gold and Silver ETFs
7. Units of InVITs
8. Any other like instruments as may be permitted by RBI/SEBI/ such other Regulatory Authority from time to time.

The securities mentioned above could be listed or to be listed, secured or unsecured, rated or un-rated and of varying maturity, as enabled under SEBI Regulations/ circulars/ RBI. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals.

C. WHAT ARE THE INVESTMENT STRATEGIES?

The Scheme aims to generate returns by investing in dividend-paying companies. Historically, stocks of dividend yielding companies provide a high degree of protection during falling equity markets. Along with this protection, there is a good possibility of stock prices appreciating, should the equity markets revive. When a dividend yield investment is made in conjunction with other parameters like low price to book value ratio (price-to book) and low market capitalization to sales ratio (market cap-to-sales), the possibility of upward rerating of the stock increases. The Scheme would therefore aim to build a portfolio that provides a combination of dividend yield, substantial capital protection and a strong possibility of capital gains. Companies may also choose to do a buyback in addition to or as an alternative to dividend. This also constitutes a yield to shareholders. For determining dividend yield (i.e. dividend paid/payable in the previous year divided by the current market price), the Scheme will consider companies that have paid dividends/buybacks done in at least one of the three preceding financial years.

Historically, the share prices of companies having dividend yield are less volatile than growth stocks. It is the belief of the Fund Manager that the companies, which have a track record of dividend payment, are perceived as 'Shareholder Friendly'. Dividend payouts often signal that there is enough cash generation in the business.

Quite often, a dividend yield in these companies indicates that the stock is currently underpriced in spite of higher cash generating ability of the issuer. A careful selection of these stocks could therefore unlock the potential growth, which should eventually reflect in the share prices.

Though dividend yield would be one of the prime criteria for selection of stocks, every investment would be done taking into account the following factors besides others:

Aditya Birla Sun Life **Dividend Yield Fund**

1. Business Fundamentals
2. Quality of Management
3. Industry Trends
4. Growth Prospects
5. Track Record and Consistency of Dividend Payments
6. Volatility of the stock

The Scheme intends to follow a defensive strategy, it would invest primarily in stocks that have a low volatility or beta. Beta is a measure of volatility of a stock or a portfolio relative to an index. As mentioned in the section on "Asset Allocation and Investment pattern" above, the scheme may, from time to time invest in 'special situations' like de-listing opportunities, mergers and acquisitions, spin offs, etc.

The Investment Process for such investments will be different from normal investments in the scheme.

Opportunities will be seized based on consideration of short term benefits. Such situations will be identified and discussed in the investment group. Thereafter, a risk evaluation would be carried out to arrive at a decision. These decisions would be properly recorded along with justifications for such decisions.

As a part of the investment strategy, the scheme would book profits regularly to take advantage of any favourable market trend.

ABSLAMC may, from time to time, review and modify the Scheme's investment strategy if such changes are considered to be in the best interests of unit holders and if market conditions so warrant.

Derivatives

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies. The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.

For detailed derivative strategies, please refer to SAI.

INVITs

Investment in INVITs will be made based on the various factors such as liquidity, sector outlook and returns expectations. The investment across asset class within the stated range will be based on opportunities available in the different asset classes and outlook for the Markets.

Portfolio Turnover

The scheme has no explicit constraints either to maintain or limit the portfolio turnover. Portfolio turnover will depend upon the circumstances prevalent at any time and would also depend on the extent of volatility in the market and inflows/outflows in the scheme. The Fund Manager will however endeavour to maintain a low portfolio turnover rate.

A higher churning of the portfolio could attract high transactions of the nature of brokerage, custody charges etc.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the scheme will be benchmarked to the performance of the Nifty 500 TRI (Tier 1

Aditya Birla Sun Life Dividend Yield Fund

Benchmark) and Nifty Dividend Opportunities 50 Total Return Index (Tier 2 Benchmark).

Rationale for adoption of benchmark:

The Nifty 500 TRI tracks broader Indian equity market. The investible universe of the scheme is market-cap agnostic therefore, the benchmark would be appropriate to compare performance of the Scheme.

The NIFTY Dividend Opportunities 50 Total Return Index is designed to provide exposure to high yielding companies listed on NSE while meeting stability and tradability requirements. The methodology employs a yield driven selection criteria that aims to maximize yield while providing stability and tradability. Currently the index comprises of 50 companies listed at the National Stock Exchange (NSE).

The fund reserves the right to change the said benchmark and/or adopt one/more other benchmarks to compare the performance of the Scheme. The performance of this scheme will be compared with its peers in the industry. The performance will be placed before the Investment Committee as well as the Board of Directors of the AMC and the Trustee Company in each of their meetings.

E. WHO MANAGES THE SCHEME?

Mr. Pavas Pethia would be the designated Fund Manager of the Scheme.

Name	Age	Educational Qualifications	Experience	Managing Scheme Since	Tenure
Mr. Pavas Pethia	42 years	PGDM in Finance & Economics from the IIM-Lucknow, B.Tech in Electronics & Communication Engineering MNIT-Jaipur	He has over 17 years of experience in the Indian listed equity market, with extensive exposure to equity research. He is associated with Aditya Birla Sun Life AMC Ltd. (ABSLAMC) as Senior Analyst – Equity. Prior to ABSLAMC, Mr. Pethia was associated with ENAM Asset Management as Senior Research Analyst and Associate Portfolio Manager. He has also worked with Evalueserve, Motilal Oswal Securities, and Asit C. Mehta Investments in institutional equity research roles.	May 13, 2026	0.2 years

Names of other scheme under the management of Mr. Pavas Pethia:

Name of the scheme	Fund responsibilities jointly with
Aditya Birla Sun Life Business Cycle Fund	Mr. Harish Krishnan

Aditya Birla Sun Life Dividend Yield Fund

F. HOW IS THE SCHEME DIFFERENT FROM EXISTING SCHEMES OF THE MUTUAL FUND?

Following are the Equity schemes of Aditya Birla Sun Life Mutual Fund as on June 30, 2026:

- Aditya Birla Sun Life Banking and Financial Services Fund
- Aditya Birla Sun Life Small Cap Fund
- Aditya Birla Sun Life Digital India Fund
- Aditya Birla Sun Life Business Cycle Fund
- Aditya Birla Sun Life Large & Mid Cap Fund
- Aditya Birla Sun Life ESG Integration Strategy Fund
- Aditya Birla Sun Life Flexi Cap Fund
- Aditya Birla Sun Life Focused Fund
- Aditya Birla Sun Life Large Cap Fund
- Aditya Birla Sun Life Consumption Fund
- Aditya Birla Sun Life Infrastructure Fund
- Aditya Birla Sun Life International Equity Fund
- Aditya Birla Sun Life Manufacturing Equity Fund
- Aditya Birla Sun Life Midcap Fund
- Aditya Birla Sun Life MNC Fund
- Aditya Birla Sun Life Multi-Cap Fund
- Aditya Birla Sun Life Pharma & Healthcare Fund
- Aditya Birla Sun Life PSU Equity Fund
- Aditya Birla Sun Life Value Fund
- Aditya Birla Sun Life Special Opportunities Fund
- Aditya Birla Sun Life ELSS Tax Saver Fund
- Aditya Birla Sun Life Transportation and Logistics Fund
- Aditya Birla Sun Life Quant Fund
- Aditya Birla Sun Life Conglomerate Fund

For detailed comparative table, kindly refer <https://mutualfund.adityabirlacapital.com/forms-and-downloads/disclosures>

G. HOW HAS THE SCHEME PERFORMED?

PERFORMANCE OF THE SCHEMES AS AT JUNE 30, 2026:

Returns	Last 1 Year	Last 3 years	Last 5 Years	Since Inception
Aditya Birla Sun Life Dividend Yield Fund – Regular Plan (Inception - February 26, 2003)	-1.68	14.61	13.92	17.66
NIFTY 500 Total Return Index (Tier 1)	-1.71	12.92	12.40	17.30
Aditya Birla Sun Life Dividend Yield Fund - Direct Plan (Inception - January 01, 2013)	-0.86	15.54	14.80	12.94
NIFTY 500 Total Return Index	-1.71	12.92	12.40	13.57

Note:- Past performance may or may not be sustained in future. Returns are in % and absolute returns for period less than 1 year & Compounded Annualized Growth returns (CAGR) for period 1 year or more. Load and taxes not considered. Where benchmark returns are not available, they have not been shown. Returns are calculated on Growth Option NAV.

II. ABSOLUTE RETURNS FOR EACH FINANCIAL YEAR

Aditya Birla Sun Life Dividend Yield Fund

Note: Past performance may or may not be sustained in future. Returns are in % and absolute returns for period less than 1 year & CAGR for period 1 year or more. Load and taxes not considered.

H. ADDITIONAL SCHEME RELATED DISCLOSURES

- Scheme's portfolio holdings** i.e. Top 10 holdings by issuer and fund allocation towards various sectors
Kindly refer for details <https://mutualfund.adityabirlacapital.com/forms-and-downloads/disclosures>
- Portfolio Disclosure -**
Kindly refer for details <https://mutualfund.adityabirlacapital.com/forms-and-downloads/portfolio>
- Portfolio Turnover Rate:** 0.30
- Functional website link to the respective addenda to the SID after the last update of SID:**
<https://mutualfund.adityabirlacapital.com/forms-and-downloads/addendums>
- Aggregate investment in the Scheme by Concerned scheme's Fund Manager(s) as at June 30, 2026:**

Sr. No.	Scheme's Fund Manager	Plans/Options	Net Value		Market Value (in Rs.)
			Units	NAV per unit (in Rs.)	
1.	Mr. Pavas Pethia	Direct Plan - Growth	747.079	493.90	3,68,982.32

For any other disclosure w.r.t investments by key personnel and AMC directors including regulatory provisions in this regard, kindly refer SAI.

vi. Investments of AMC in the Scheme :

Pursuant to Regulation 22(3a) of the SEBI (MF) Regulations and para 7.13 of SEBI Master Circular on Mutual Funds , AMC will invest minimum amount as a percentage of AUM based on the risk associated with the Scheme and such investment will not be redeemed unless the Scheme is wound up. The AMC will conduct quarterly review to ensure compliance with above requirement which may change either due to change in value of the AUM or in the risk value assigned to the scheme. The shortfall in value of the investment, if any, will be made good within 7 days of such review.

In addition to investments as mandated under Regulation 22(3a) of the Regulations as mentioned above, the AMC, may invest in the scheme during the continuous offer period subject to the SEBI (MF). As per the existing SEBI (MF) Regulations, the AMC will not charge investment management and advisory fee on the investment made by it in the scheme. The Sponsor, Trustee and their associates may invest in the scheme on an ongoing basis subject to SEBI (MF) Regulations & circulars issued by SEBI and to the extent permitted by its Board of Directors from time to time.

Link to view the same: <https://mutualfund.adityabirlacapital.com/forms-and-downloads/disclosures>

PART III. OTHER DETAILS

I. COMPUTATION OF NAV

The Net Asset Value (NAV) per Unit of the scheme will be computed by dividing the net assets of the scheme by the number of Units outstanding under the scheme on the valuation date. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI (MF) Regulations, or such norms as may be specified by SEBI from time to time.

NAV of Units under the scheme shall be calculated as shown below:

$$\begin{aligned} & \text{Market or Fair Value of the scheme's Investments} \\ & + \text{Current Assets (including accrued income)} \\ & - \text{Current Liabilities and Provisions (including accrued expenses)} \end{aligned}$$

$$\text{NAV (Rs.) per Unit} = \frac{\text{Market or Fair Value of the scheme's Investments} + \text{Current Assets (including accrued income)} - \text{Current Liabilities and Provisions (including accrued expenses)}}{\text{No. of Units outstanding under the scheme}}$$

No. of Units outstanding under the scheme

The AMC will calculate and disclose the NAV of the scheme on every business day. The NAVs of the Scheme will be calculated upto two decimals and units allotted upto three decimals. AMC reserves the right to calculate NAV more than two decimal places. NAVs of the growth option and IDCW option will be different after the declaration of the first IDCW.

Computation of NAV in case of investment in foreign securities: On the valuation day, all the assets and liabilities denominated in foreign currency will be valued in Indian Rupees. The valuation price of the security will be converted to INR based on a reference rate provided by the designated agency at the close of banking hours in India. If required, the AMC may change the source of determining the exchange rate. The Fund shall value its investments according to the valuation norms as specified in the Eighth Schedule of the Regulations, or such guidelines / recommendations as may be specified by SEBI from time to time. The broad valuation norms are detailed in the Statement of Additional Information.

Illustration of computation of NAV:

If the net assets of the Scheme are Rs.10,55,34,567.12 and units outstanding are 100,00,000, then the NAV per unit will be computed as follows:

$$10,55,34,567.12 / 100,00,000 = \text{Rs. } 10.55 \text{ p.u. (rounded off to two decimals)}$$

In accordance with SEBI (MF) Regulations, while determining the price of the units, the mutual fund shall ensure that the repurchase price of the scheme is not lower than 97 per cent of the Net Asset Value.

Methodology for calculation of sale and re-purchase price of the units:

- Subscription / Switch-in (from other schemes/plans of the Mutual Fund) (*This is the price investor need to pay for purchase/switch-in*)
If the applicable NAV is Rs. 10/- and since there will be no entry load, then the purchase price will be Rs. 10/-
- Redemption / Switch - out (to other schemes/plans of the Mutual Fund) (*This is the price investor will receive at the time of redemption/ switch-out*)
If the applicable NAV is Rs. 10/- and exit load is 0.5% then sale price will be $10 - (10 \times 0.5\%) = 10 - 0.05 = \text{Rs. } 9.95/-$

Note: Where as a result of a Redemption/ Switch arising out of excess holding by an investor beyond 25% of the net assets of the schemes in the manner envisaged under para 6.11 of SEBI Master Circular on Mutual Funds , such Redemption / Switch will not be subject to Exit load.

For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

II. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid marketing and advertising, registrar expenses, printing and stationery, bank charges etc. All the NFO expenses of the Scheme shall be borne by the AMC.

III. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table related to maximum permissible expense below:

Within the limits specified under the SEBI Regulations, the AMC has estimated that the following will be charged to the scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of the mutual fund. Further, any change in the base Expense Ratio will be updated on our website and the same will be communicated to investor via SMS / e-mail 3 working days prior to the effective date of change.

As per Regulation 66(7)(c) of SEBI (MF) Regulations, the total expenses of the scheme, including Investment Management and Advisory Fees, shall be subject to following limits as specified below:

Assets under management Slab (In Rs. crore)	Maximum Base Expense Ratio (BER) limits
on the first Rs.500 crores of the daily net assets	2.10%
on the next Rs.250 crores of the daily net assets	1.90%
on the next Rs.1,250 crores of the daily net assets	1.60%
on the next Rs.3,000 crores of the daily net assets	1.50%
on the next Rs.5,000 crores of the daily net assets	1.40%
On the next Rs.40,000 crores of the daily net assets	Expense ratio reduction of 0.05% for every increase of Rs.5,000 crores of daily net assets or part thereof.
On balance of the assets	0.95%

In addition to base expenses permissible within limits of Regulation 66(7)(c) of SEBI (MF) Regulations, 2026 as above, the following expenses are charged to the scheme in terms of Regulation 66(9) and 66(10) of SEBI (MF) Regulations, 2026:

- Brokerage cost incurred for the purpose of execution of trade shall be charged to the schemes over and above BER limits, subject to maximum of 0.06% and 0.02% for cash market transactions and derivatives transactions respectively. Expense charged towards brokerage, in excess of above mentioned limits will form part of BER.
- Transaction cost incurred for the purpose of execution of a trade i.e., regulatory levies and any other expenses charged by the stock exchanges, clearing corporation, and clearing house, as applicable shall not form part of the base expense ratio.
- Statutory levies include any levy imposed by central and state government.

Total Expenses ratio as per Regulation 67 of SEBI (MF) Regulations, 2026 will be total of expenses charged within base expenses limit, brokerage cost, transaction cost and statutory levies charged to investors.

Aditya Birla Sun Life Dividend Yield Fund

The AMC has estimated the following recurring expenses, as detailed in the table related to maximum permissible expense below. The expenses are estimated to have been made in good faith as per the information available to the AMC based on past experience and are subject to change inter se.

The purpose of the below table is to assist the investor in understanding the various costs and expenses that an investor in the scheme will bear directly or indirectly.

Maximum estimated permissible expense as a % per annum of daily net assets:

Expense Head	% p.a. of daily Net Assets*
Investment Management & Advisory Fee	Upto 2.10%
Audit fees/fees and expenses of trustees	
Custodial Fees	
Registrar & Transfer Agent Fees including cost of providing account statements / IDCW / redemption cheques/ warrants	
Marketing and selling expenses including fees, commission and charges towards distribution of mutual fund schemes	
Costs related to investor communications	
Costs of fund transfer from location to location	
Cost towards investor education, awareness and financial inclusion	
Brokerage & transaction cost pertaining to execution of trade*	
Cost of statutory advertisements	
Other Expenses (to be specified as per Reg 66 of SEBI MF Regulations)	
Maximum Base Expenses Ratio (BER) permissible under Regulation 66	Upto 2.10%
Statutory levies (including GST) on all expenses excluding brokerage and transaction cost	GST of 18% or any other rate as may be levied from time to time on the Taxable/Invoice/Contract amount. Additionally, levies such as Stamp Duty, STT etc.
Statutory levies (including GST) on brokerage and transaction cost	Will be charged on Turnover of securities which will be at prescribed rates

The above estimates for recurring expense are for indicative purposes only and have been made in good faith as per the information available to the AMC based on past experience.

* over and above 0.06% and 0.02% for cash market transactions and derivatives transactions respectively.

Note:

Aditya Birla Sun Life Dividend Yield Fund

- (a) The TER of the Direct Plan will be lower to the extent of the abovementioned distribution expenses/ commission which is charged in the Regular Plan.
- (b) In terms of para 11.9.1 of SEBI Master Circular on Mutual Funds, the AMC / Mutual Fund shall annually set apart at least 2 basis points (i.e. 0.02%) on daily net assets of the Scheme within the maximum base expense ratio limit as per Regulation 66(7) of the SEBI (MF) Regulations for investor education, awareness and financial inclusion initiatives.
- (c) **Maximum Permissible expense:** The maximum total expense ratio (TER) that can be charged to the Scheme will be subject to such limits as prescribed under the SEBI (MF) Regulations. Also, the types of expenses charged shall be as per the SEBI (MF) Regulations.
- (d) In order to encourage mutual fund distributors to expand their outreach and create awareness among new investors in terms of regulations 66(6) of SEBI (MF) Regulations, 2026 the mutual fund distributors shall be eligible for additional commission in the following manner:
- New individual investors (new PAN) from B-30 cities, at the mutual fund industry level
 - New women individual investors (new PAN) from both Top 30 and B-30 cities

Incentive Structure:

Sr. No.	Investment Mode	Commission Structure
1	Lump Sum Investment	1% of the amount of the first application subject to a maximum of ₹2,000, provided the investor remains invested for a minimum period of one year
2	Systematic Investment Plan (SIP)	1% of the total investment made during the first year, subject to a maximum of ₹2,000

The additional distribution commission shall be paid from the 2 basis points on daily net assets, mandated to be set apart annually by AMCs for investor education awareness and financial inclusion initiatives, subject to adequate claw back provisions.

The additional commission specified above shall be in addition to the existing trail commission paid to the distributor from the scheme.

Distributors shall be eligible to receive the additional commission for mobilizing investments from new women investors from Top-30 cities and in cases where the commission for new investment from B-30 cities has not been claimed for the same woman investor/ investment. Dual incentives for the same investor/investment shall not be permitted.

Investors should note that all scheme related expenses including commission paid to distributors will necessarily be paid from the Scheme only within the regulatory limits and not from the books of the ABSLAMC, its associate, sponsor.

The total recurring expenses of the Scheme excluding issue or redemption expenses, whether initially borne by the Mutual Fund or by the AMC, but including the investment management and advisory fee, shall not exceed the limits as prescribed under Regulation 66 of the SEBI (MF) Regulations.

Illustration of impact of expense ratio on schemes returns:

Expense ratio, normally expressed as a percentage of Average Assets under Management, is calculated by dividing the permissible expenses under the Regulations by the average net assets.

To further illustrate the above, for the Scheme under reference, suppose an Investor invested Rs. 10,000/- the impact of expenses charged will be as under:

Aditya Birla Sun Life Dividend Yield Fund

Particulars	Regular Plan (Rs.)	Direct Plan (Rs.)
Amount invested at the beginning of the year (A)	10,000	10,000
Value of above investment at the end of the year (before all applicable expenses) (B)	11,500	11,500
Returns before expenses (C)	1,500	1,500
Expenses other than Distribution expenses(D)	150	150
Distribution expenses (E)	50	-
Value of above investment at the end of the year (post all applicable expenses) (F)	11,300	11,350
Returns after expenses at the end of the year (G)	1300	1350
Returns (%) (post all applicable expenses) (H) $(H=(F-A)/A)$	13%	13.5%
Returns (%) (without considering any expenses) (I) $[I=(B-A)/A]$	15%	15%

Note(s):

- The purpose of the above illustration is to purely explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year.
- The expenses of the Direct Option under the Scheme will be lower to the extent of the above-mentioned distribution expenses/ commission. The NAVs of Direct Plan and Regular Plan will be different.
- Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.

IV. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.mutualfund.adityabirlacapital.com) or may call at 1-800-22-7000/1-800-270-7000 or your distributor.

Type of Load	Load Chargeable (as %age of NAV)
Exit Load	In respect of each purchase / switch-in of Units: For redemption / switch-out of units on or before 90 days from the date of allotment: 1.00% of applicable NAV. For redemption / switch-out of units after 90 days from the date of allotment: Nil.

- No Exit Loads will be chargeable in case of switches made from Growth option to IDCW option or vice-versa within the respective Plans offered under the Scheme
- No entry or exit load shall be charged in respect of units issued to unitholders on Reinvestments of IDCW and units issued to unitholders as Bonus units.
- No exit load will be charged in case of switch of investments from Regular Plan to Direct Plan and vice versa.
- The above Load shall be applicable in case SIP/STP/SWP transactions.
- Pursuant to para 11.7 of SEBI Master Circular on Mutual Funds, exit load charged, if any, by the AMC/Mutual Fund to the unitholders shall be credited to the Scheme immediately, net of GST, if any.

The investor is requested to check the prevailing load structure of the scheme before investing.

AMC reserves the right to change / modify the Load structure under the schemes if it so deems fit in the interest of smooth and efficient functioning of the Mutual Fund. AMC reserves the right to introduce / modify

Aditya Birla Sun Life Dividend Yield Fund

the Load depending upon the circumstances prevailing at that time subject to maximum limits as prescribed under the SEBI (MF) Regulations.

Any imposition or enhancement of Load in future as may be permitted under SEBI (MF) Regulations shall be applicable on prospective investments only and will be calculated on First in First Out (FIFO) basis. However, AMC shall not charge any load on issue of bonus units and units allotted on reinvestment of IDCW for existing as well as prospective investors. At the time of changing the Load Structure following measures would be undertaken to avoid complaints from investors about investment in the schemes without knowing the loads:

- I. The addendum detailing the changes would be attached to Scheme Information Document and Key Information Document. The addendum will be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Documents and Key Information Documents already in stock.
- II. Arrangements will be made to display the addendum in the Scheme Information Document in the form of a notice in all the Investor Service Centres and distributors / brokers office.
- III. The introduction of the Exit Load alongwith the details would be stamped in the acknowledgement slip issued to the investors on submission of the application form and would also be disclosed in the statement of accounts issued after the introduction of such load.
- IV. Any other measure which the AMC/Mutual Fund may feel necessary.

For any change in load structure AMC will issue an addendum and display it on the website/Investor Service Centres

V. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

The Scheme shall have a minimum of 20 investors and no single investor shall account for more than 25% of the corpus of the Scheme. In case the Scheme does not have a minimum of 20 investors in the stipulated period, the provisions of Regulation 36(2)(c) of the SEBI (Mutual Fund) Regulations, 2026 would become applicable automatically without any reference from SEBI and accordingly the Scheme shall be wound up and the units would be redeemed at applicable NAV. The two conditions mentioned above shall also be complied with within each subsequent calendar quarter thereafter, on an average basis, as specified by SEBI. If there is a breach of the 25% limit by any investor over the quarter, a rebalancing period of one month would be allowed and thereafter the investor who is in breach of the rule shall be given 15 days' notice to redeem his exposure over the 25% limit. Failure on the part of the said investor to redeem his exposure over the 25% limit within the aforesaid 15 days would lead to automatic redemption by the Mutual Fund on the applicable Net Asset Value on the 15th day of the notice period. The Fund shall adhere to the requirements prescribed by SEBI from time to time in this regard.

SECTION - II

I. INTRODUCTION

A. DEFINITIONS/INTERPRETATION

In this Scheme Information Document, the words and expressions shall have the meaning specified in the following link, unless the context otherwise requires.

<https://mutualfund.adityabirlacapital.com/forms-and-downloads/disclosures>

Interpretation

For all purposes of this Scheme Information Document, except as otherwise expressly provided or unless the context otherwise requires, the terms defined in this Scheme Information Document include the plural as well as the singular. Pronouns having a masculine or feminine gender shall be deemed to include the other. Words and expressions used herein but not defined herein shall have the meanings respectively assigned to them therein under the SEBI Act or the SEBI (MF) Regulations.

All references to “Master Circular” refer to Master Circular for Mutual Funds issued by SEBI dated March 20, 2026 as amended from time to time.

B. RISK FACTORS

For Standard Risk Factors, kindly refer Statement of Additional Information (SAI)

- SCHEME SPECIFIC RISK FACTORS

- Risks associated with Dividend Yield stocks: Though the investments would be made in companies having a track record of Dividend payments, the performance of the scheme would inter-alia depend on the ability of these companies to sustain Dividend in future.
- These stocks, at times, may be relatively less liquid as compared to growth stocks.

Risks associated with investment in Equity and Equity related instruments:

- Equity and Equity related securities by nature are volatile and prone to price fluctuations on a daily basis due to both macro and micro factors.
- The NAVs of schemes investing in equity will fluctuate as the daily prices of the individual securities in which they invest fluctuate and the units when redeemed may be worth more or less than their original cost.
- The value of the Scheme's investments, may be affected generally by factors affecting securities markets, such as price and volume volatility in the capital markets, interest rates, currency exchange rates, changes in policies of the Government, taxation laws or policies of any appropriate authority and other political and economic developments and closure of stock exchanges which may have an adverse bearing on individual securities, a specific sector or all sectors including equity and debt markets. Consequently, the NAV of the units of the Scheme may fluctuate and can go up or down.
- In respect of investments in equity and equity-related instruments, there may be risks associated with trading volumes, settlement periods and transfer procedures that may restrict liquidity of investments in equity and equity-related securities. In the event of inordinately large number of redemptions or of a restructuring of the schemes' investment portfolio, there may be delays in the redemption of units.
- Within the regulatory limits, the Fund Manager may choose to invest in listed or to be listed securities that offer attractive yields. Securities, which are not quoted on the stock exchanges, are inherently illiquid in nature and carry a larger amount of liquidity risk, in comparison to securities that are listed on the exchanges or offer other exit options to the investor, including a put option. This may however increase the risk of the portfolio. The liquidity and valuation of the schemes' investments due to their holdings of listed or to be listed securities may be affected if they have to be sold prior to their target date of disinvestments.

Aditya Birla Sun Life Dividend Yield Fund

- Investment made in listed or to be listed equity or equity-related securities may only be realizable upon listing of these securities. Settlement problems could cause the Scheme to miss certain investment opportunities.
- Investors may note that Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with anticipated trends.
- Though the constituent stocks of most indexes are typically liquid, liquidity differs across stocks. Due to the heterogeneity in liquidity in the capital market segment, trades on this segment may not get implemented instantly.

Risk Factors associated with investments in Fixed Income Securities:

- **Price-Risk or Interest-Rate Risk:** Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates.
- **Credit Risk:** In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in Government securities, there is no credit risk to that extent.
- **Liquidity or Marketability Risk:** This refers to the ease with which a security can be sold at or near to its valuation Yield-to-Maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today's characteristic of the Indian fixed income market.
- **Reinvestment Risk:** Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.
- **Pre-payment Risk:** Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund.
- Different types of securities in which the scheme would invest as given in the Scheme Information Document carry different levels and types of risk. Accordingly the scheme's risk may increase or decrease depending upon its investment pattern. e.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds, which are AA rated, are comparatively more risky than bonds, which are AAA rated.
- The above are some of the common risks associated with investments in fixed income and money market securities. There can be no assurance that a Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis.

Risk Factors associated with investments in Foreign Securities:

- Investments in International (overseas) securities including Exchange Traded Funds involves increased risk and volatility, not typically associated with domestic investing, due to changes in currency exchange rates, foreign government regulations, differences in auditing and accounting standards, potential political and economic instability, limited liquidity, and volatile prices. Further, risks associated with introduction of extraordinary exchange control, economic deterioration, and changes in bi-lateral relationships.
- To the extent the assets of the scheme are invested in overseas financial assets, there may be risks associated with currency movements, restrictions on repatriation and transaction procedures in overseas market. Further, the repatriation of capital to India may also be hampered by changes in regulations or political circumstances as well as the application to it of other restrictions on investment. In addition, country risks would include events such as introduction of extraordinary exchange controls, economic deterioration, bi-lateral conflict leading to immobilisation of the overseas financial assets and the prevalent tax laws of the respective jurisdiction for execution of trades or otherwise.

Aditya Birla Sun Life Dividend Yield Fund

- **Currency Risk:** The schemes may invest in securities denominated in a broad range of currencies and may maintain cash in such currencies. As a consequence, fluctuations in the value of such currencies against the currency denomination of the relevant scheme will have a corresponding impact on the value of the portfolio. Furthermore, investors should be aware that movements in the rate of exchange between the currency of denomination of a fund and their home currency will affect the value of their shareholding when measured in their home currency.
- **Country Risk:** The Country risk arises from the inability of a country, to meet its financial obligations. It is the risk encompassing economic, social and political conditions in a foreign country, which might adversely affect foreign investors' financial interests.
- The Scheme(s) may also invest in Foreign Securities as permitted by Reserve Bank of India and Securities and Exchange Board of India. To the extent that some part of the assets of the Schemes may be invested in securities denominated in foreign currencies, the Indian Rupee equivalent of the net assets, distributions and income may be adversely affected by the changes in the value of certain foreign currencies relative to the Indian Rupee. The repatriation of capital also may be hampered by changes in regulations concerning exchange controls or political circumstances as well as all other restrictions on investments as applicable.

Risk Factors associated with investments in Derivatives:

- As and when any Scheme trades in the derivatives market there are risk factors and issues concerning the use of derivatives that investors should understand. Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. The use of a derivative requires an understanding not only of the underlying instrument but also of the derivative itself. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative adds to the portfolio and the ability to forecast price or interest rate movements correctly. There is a possibility that loss may be sustained by the portfolio as a result of the failure of another party (usually referred as the "counter party") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices. Thus, derivatives are highly leveraged instruments. Even a small price movement in the underlying security could have a large impact on their value. Besides the price of the underlying asset, the volatility, tenor and interest rates affect the pricing of derivatives. Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of such strategies depends upon the ability of the fund manager to identify such opportunities. Identification and execution of the strategies to be pursued by the fund manager involve uncertainty and decision of fund manager may not always be profitable. No assurance can be given that the fund manager will be able to identify or execute such strategies.
- Derivative trades involve execution risks, whereby the rates seen on the screen may not be the rate at which ultimate execution takes place.
- The options buyer's risk is limited to the premium paid, while the risk of an options writer is unlimited. However, the gains of an options writer are limited to the premiums earned.
- The writer of a put option bears the risk of loss if the value of the underlying asset declines below the exercise price. The writer of a call option bears a risk of loss if the value of the underlying asset increases above the exercise price.
- Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. The extent of loss is the same as in the underlying stocks.
- Risk of loss in trading futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and potential high volatility of the futures markets.
- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments.
- Execution of investment strategies with respect to investments in Derivatives depends upon the ability of the fund manager to identify such opportunities which may not be available at all times and that the decisions made by the fund manager may not always be profitable. Investors may note that AMC/Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with anticipated trends.

Risks associated with Writing of Covered Call Options:

- a) Writing call options are highly specialized activities and entail higher than ordinary investment risks. In such investment strategy, the profits from call option writing is capped at the option premium, however, the downside depends upon the increase in value of the underlying equity shares.
- b) The Scheme may write covered call option only in case it has adequate number of underlying equity shares as per regulatory requirement. This would lead to setting aside a portion of investment in underlying equity shares. If covered call options are sold to the maximum extent allowed by regulatory authority, the scheme may not be able to sell the underlying equity shares immediately if the view changes to sell and exit the stock. The covered call options need to be unwound before the stock positions can be liquidated. This may lead to a loss of opportunity or can cause exit issues if the strike price at which the call option contracts have been written become illiquid. Hence, the scheme may not be able to sell the underlying equity shares, which can lead to temporary illiquidity of the underlying equity shares and result in loss of opportunity.
- c) The writing of covered call option would lead to loss of opportunity due to appreciation in value of the underlying equity shares. Hence, when the appreciation in equity share price is more than the option premium received, the scheme would be at a loss.
- d) The total gross exposure related to option premium paid and received must not exceed the regulatory limits of the net assets of the scheme.

Risks associated Risk Factors associated with Securities Lending and Borrowing:

Securities Lending is lending of securities through an approved intermediary to a borrower under an agreement for a specified period with the condition that the borrower will return equivalent securities of the same type or class at the end of the specified period along with the corporate benefits accruing on the securities borrowed. The risks in lending portfolio securities, as with other extensions of credit, consist of the failure of another party, in this case the approved intermediary, to comply with the terms of agreement entered into between the lenders of securities i.e. the Scheme and the approved intermediary. Such failure to comply can result in the possible loss of rights in the collateral put up by the borrower of the securities, the inability of the approved intermediary to return the securities deposited by the lender and the possible loss of any corporate benefits accruing to the lender from the securities deposited with the approved intermediary. The Scheme may not be able to sell lent out securities, which can lead to temporary illiquidity & loss of opportunity.

Risk Factors Associated with Investments in REITs:
Market Risk:

REITs are volatile and prone to price fluctuations on a daily basis owing to market movements. Investors may note that AMC/Fund Manager's investment decisions may not always be profitable, as actual market movements may be at variance with the anticipated trends. The NAV of the Scheme is vulnerable to movements in the prices of securities invested by the scheme, due to various market related factors like changes in the general market conditions, factors and forces affecting capital market, level of interest rates, trading volumes, Real Estate and Infrastructure sectors, settlement periods and transfer procedures. The Scheme will undertake active portfolio management as per the investment objective to reduce the market risk.

Liquidity Risk:

As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes and settlement periods, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk. The Scheme will endeavour to maintain a proper asset-liability match to ensure redemption payments are made on time and not affected by illiquidity of the underlying units.

Reinvestment Risk:

Investments in REITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or IDCW pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.

Aditya Birla Sun Life Dividend Yield Fund

Interest Rate Risk: Securities / Instruments of REITs run interest rate risk. Generally, when interest rates rise, prices of units fall and when interest rates drop, such prices increase.

The above are some of the common risks associated with investments in REITs. There can be no assurance that a Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis

Risk Factors Associated with Investments in InvITs:

- **Market Risk:** InvITs Investments are volatile and subject to price fluctuations on a daily basis owing to factors impacting the underlying assets. AMC/Fund Manager's will do the necessary due diligence but actual market movements may be at variance with the anticipated trends.
- **Liquidity Risk:** As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc., the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.
- **Reinvestment Risk:** Investments in InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.
- **Regulatory/Legal Risk:** InvITs being new asset classes, rights of unit holders such as right to information etc. may differ from existing capital market asset classes under Indian Law.

The above are some of the common risks associated with investments in InvITs. Investment results may vary substantially on a monthly, quarterly or annual basis.

Risks Factors Associated with Creation of Segregated Portfolio:

Different types of securities in which the scheme would invest carry different levels and types of risk as given in the Scheme Information Document of the scheme. In addition to the same, unitholders are requested to also note the following risks with respect to Segregated Portfolio:

Liquidity Risk: A lower level of liquidity affecting an individual security (ies) or an entire market may have an adverse bearing on the value of the Segregated Scheme's assets. This may more importantly affect the ability to sell particular securities with minimal impact cost as and when necessary to meet requirement of liquidity or to sell securities in response to triggers such as a specific economic/corporate event. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of a few of the investments. This may impact the NAV of the segregated portfolio and could result into potential loss to the Unit holders.

Credit risk: The scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further, even among corporate bonds, bonds, which are AA rated, are comparatively riskier than bonds, which are AAA rated. Investment in unrated securities may be riskier compared to investment in rated instruments due to non-availability of third party assessment on the repayment capability of the issuer. As the securities are unrated, an independent opinion of the rating agency on the repayment capability of the issuer will not be available. The issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. This may impact the NAV of the segregated portfolio and resultant loss to the Unit holders.

Listing of units: Listing of units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further, trading price of units on the stock market may be significantly lower than the prevailing NAV.

Risks associated with investment in units of mutual fund:

Aditya Birla Sun Life **Dividend Yield Fund**

- Investment in Mutual Fund Units involves investment risks, including but not limited to risks such as liquidity risk, volatility risk, default risk including the possible loss of principal.
- Liquidity risk: The liquidity of the scheme's investments is inherently restricted by trading volumes and settlement periods. In the event of an inordinately large number of redemption requests, or of a restructuring of the scheme's investment portfolio, these periods may become significant. In view of the same, the Trustees may limit redemptions (including suspending redemptions) under certain circumstances as specified under the Scheme Information Document.
- Volatility risks: There is the risk of volatility in markets due to external factors like liquidity flows, changes in the business environment, economic policy etc. The scheme will manage volatility risk through diversification across companies and sectors.
- Default risk: Credit risk is risk resulting from uncertainty in counterparty's ability or willingness to meet its contractual obligations. This risk pertains to the risk of default of payment of principal and interest. Government Securities have zero credit risk while other debt instruments are rated according to the issuer's ability to meet the obligations.

Risk associated with investments in Gold ETF and Gold related instruments:

The Scheme shall invest in Gold ETFs and Gold related instruments (including derivatives, sovereign gold deposit schemes etc. as and when SEBI/ RBI permits). Accordingly, the NAV of the scheme will react to Gold price movements. There is no assurance that gold will maintain its long term value in terms of purchasing power. In the event of price of gold declines, the value of investment in Units of the Scheme is expected to decline proportionately.

Market Risk

The NAV of the Scheme will react to the prices of gold, Gold Related Instruments (Including Sovereign gold bond) and stock market movements. The Unit holder could lose money over short periods due to fluctuation in the NAV of the Scheme in response to factors such as economic and political developments, changes in interest rates and perceived trends in stock prices market movements, and over longer periods during market downturns.

Additionally, the prices of gold may be affected by several factors such as global gold supply and demand, investors' expectations with respect to the rate of inflation, currency exchange rates, interest rates, etc. Crises may motivate large-scale sales of gold, which could decrease the domestic price of gold.

Some of the key factors affecting gold prices are as follows:

Central banks' sale: Central banks across the world hold a part of their reserves in gold. The quantum of their sale in the market is one of the major determinants of gold prices. A higher supply than anticipated would lead to subdued gold prices and vice versa. Central banks buy gold to augment their existing reserves and to diversify from other asset classes. This acts as a support factor for gold prices.

Producer mining interest: Bringing new mines on-line is a time consuming and at times economically prohibitive process that adds years onto potential supply increases from mining production. On the other hand, lower production has a positive effect on gold prices. Conversely excessive production capacities would lead to a downward movement in gold prices as the supply goes up.

Macro-economic factors: A weakening dollar, high inflation, the massive US trade deficits all act in favour of gold prices. The global trend of rising interest rates also had a positive impact on gold prices. Gold being regarded as a physical asset would lose its lustre in a deflationary environment as gold is used effectively as an inflation hedge.

Geo-political issues: Any uncertainty on the political front or any war-like situation always acts as a booster to gold prices. The prices start building up war premiums and hence such movements. Stable situations would typically mean stable gold prices.

Seasonal demand: Since the demand for Gold in India is closely tied to the production of jewellery pieces tend to increase during the times of year when the demand for jewellery is the greatest, the demand for

Aditya Birla Sun Life Dividend Yield Fund

metals tends to be strong a few months ahead of these festive seasons, especially Dussehra, Diwali, Akshaya Tritiya festival and summer wedding season in India. Christmas, Mother's Day, Valentine's Day, are also major festive and shopping for Gold.

Change in duties & levies: The gold held by the Custodian may be subject to loss, damage, theft or restriction of access due to natural event or human actions. The Trustees may not have adequate sources of recovery if its gold is lost, damaged, stolen or destroyed and recovery may be limited, even in the event of fraud, to the market value of gold at the time the fraud is discovered. The custodian will maintain adequate insurance for its bullion and custody business. The liability of the Custodian is limited under the agreement between the AMC and the Custodian which establish the Mutual Fund's custody arrangements, or the custody agreements.

Tracking Error Risk: Given the structure of Gold ETF, the AMC expects the tracking error to be lower. The AMC will endeavour to keep the tracking error as low as possible. Under normal circumstances, such tracking errors are not expected to exceed 2% per annum. However, this may vary when the markets are very volatile.

Lack of Market Liquidity: Trading in Gold ETF on the Exchange may be halted because of market conditions or for reasons that in the view of the market authorities or SEBI, trading in Gold ETF is not advisable. In addition, trading in Gold and Gold ETF is subject to trading halts caused by extraordinary market volatility and pursuant to Stock Exchange(s) and SEBI "circuit filter" rules. There can be no assurance that the requirements of the market necessary to maintain the listing of Gold ETF will continue to be met or will remain unchanged. Gold ETF may suffer liquidity risk from domestic as well as international market.

Risk associated with investments in Silver ETF's

- **Liquidity Risk:** Trading in units of the ETFs on the Exchange may be halted because of market conditions or for reasons that in view of the Exchange authorities or SEBI, trading in units of the scheme is not advisable. In addition, trading in units is subject to trading halts caused by extraordinary market volatility and pursuant to Stock Exchange(s) and SEBI "circuit filter" rules as applicable from time to time. There can be no assurance that the requirements of the exchange/s necessary to maintain the listing of units of the ETFs will continue to be met or will remain unchanged.
The ETFs has to sell silver only to bullion bankers/ traders who are authorized to buy silver.
Though, there are adequate number of players (commercial or bullion bankers) to whom the Mutual Fund can sell silver. However, the Mutual Fund may have to resort to distress sale of silver if there is no or low demand for silver to meet its cash needs of redemption or expenses
- **The Lack of an Active Trading Market**
Although the units are listed and traded on the exchange, there can be no guarantee that an active trading market for the units will be maintained. If there is a need to sell the shares at a time when no active market for them exists, the price that would be received, assuming that sale happens, likely will be lower than the price that would have been received if an active market did exist.
- **Withdrawal from Participation by Market Makers May Affect the Liquidity of Units**
If one or more Market Makers withdraws from participation, it may become more difficult to create or redeem Creation Units, which may reduce the liquidity of the Units. Such circumstances may be more pronounced in market conditions of increased volatility. If it becomes more difficult to create or redeem Creation Units, the correlation between the price of the Units and the NAV may be affected, which may affect the trading market for the Units.
- **Regulatory Risk:** Any changes in trading regulations by the stock exchange (s) or SEBI may affect the ability of Market Makers/ Large Investor to arbitrage resulting into wider premium/ discount to NAV. Any changes in any other regulation relating to import and export of silver or silver jewellery (including customs duty, sales tax and any such other statutory levies) may affect the ability of the scheme to buy/sell silver against the purchase and redemption requests received.
- **Passive Management of Investments:** Scheme follows a passive investment strategy. The scheme's performance may be affected by the general price decline in the silver prices. The ETFs shall invest in Silver regardless of their investment merit. The ETFs do not aim to take any defensive position in case of falling markets.
- **Active Market:** Although the ETFs will be listed on exchange, there can be no assurance that an active secondary market will be developed or maintained.

Aditya Birla Sun Life Dividend Yield Fund

- **Risks associated with handling, storing and safekeeping of physical silver:** There is a risk that part or all of the Scheme's silver could be lost, damaged or stolen. Access to the ETF's silver could also be restricted by natural events or human actions. Any of these actions may have adverse impact on the operations of the scheme and consequently on investment in units.
- **Redemption Risk:** The ETFs would repurchase units in creation unit size only. Thus, if the unit holding is less than the creation unit size then it can be sold only through the secondary market on the exchange where the units are listed, subject to rules and regulations of the Stock Exchange. The AMCs will appoint Market Makers (MMs) to provide liquidity for the units of Silver ETFs in secondary market on an ongoing basis. The Market Maker(s) would offer daily two-way quote (buy and sell quotes) in the market.
- The market price of the ETF unit like any other listed security is largely dependent on two factors viz. the intrinsic value of the unit (or NAV) and demand and supply of the units in the market. Sizeable demand or supply of the units in exchange may lead to market price of the units to quote at premium or discount to NAV. Hence, the units of the scheme may trade above or below the NAV. However, given that the investors can transact with AMC directly beyond the creation unit size of the scheme there should not be a significant variation (large premium or discount) and it may not sustain due to the arbitrage opportunity available.
- The silver price reflects the prices of silver at a point in time, which is the price at close of business day. The ETFs, however, may trade these securities at different points in time during the trading session and therefore the prices at which the scheme trades may not be identical to the closing price of silver.
- **Market Risk:** The value of the Units relates directly to the value of the silver held by the ETFs and fluctuations in the price of silver could adversely affect investment value of the Units. The factors that may affect the price of silver, inter alia, include demand & supply, economic and political developments, changes in interest rates and perceived trends in bullion prices, exchange rates, inflation trends, market movements, movement/trade of silver that may be imposed by RBI, trade and restrictions on import/export of silver or silver jewellery etc. Hence the investor may also lose money due to fluctuation in the prices of the silver.
- **Performance/Asset Class Risk:** The performance of the silver will have a direct bearing on the performance of the ETFs. The returns from physical silver may underperform returns from any other asset class.
- **Currency Risk:** The formula for deriving the NAV of the units of the ETFs is based on the imported (landed) value of the silver, which is computed by multiplying international market price by US Dollar value. Hence the value of NAV or silver will depend upon the conversion value and attracts all the risk associated with such conversion.
- **Physical silver:** There is a risk that part or all of the Scheme's silver could be lost, damaged or stolen. Access to the ETF's silver could also be restricted by natural events or human actions. Any of these actions may have adverse impact on the operations of the scheme and consequently on investment in units.
- Price volatility in Silver as a commodity will be much higher because of the industrial use of it. The commodity also goes through different business cycle according to demand situation arising from specific industries.
- Silver as a commodity is very different from Gold. While Gold is considered as the most defensive bet and has act as safe heaven to an investor the same may not be the case with silver. Gold has a separate place in Indian household and is one of the most preferred form of investing in India since ages. This may not be the case for Silver as the commodity is heavily dependent on the industrial use.
- **Counter party Risk:** There is no Exchange for physical silver in India. The Mutual Fund may have to buy or sell silver from the open market, which may lead to counter party risks for the Mutual Fund for trading and settlement.
- **Operational Risks:** Silver Exchange Traded Funds are relatively new products and their value could decrease if unanticipated operational or trading problems arise. Silver Exchange Traded Fund, an open ended Exchange Traded Fund, is therefore subject to operational risks. In addition, investors should be aware that there is no assurance that silver will maintain its long-term value in terms of purchasing power. In the event that the price of silver declines, the value of investment in Units is expected to decline proportionately
- The ETFs may not be able to acquire or sell the desired number of units of silver due to conditions prevailing in the market, such as, but not restricted to circuit filters on the silver ETF (if any), liquidity and volatility in silver prices
- The units of the scheme will be compulsorily issued in dematerialised form through depositories. The records of the depository are final with respect to the number of Units available to the credit of Unit holder. Settlement of trades, repurchase of Units by the Mutual Fund will depend upon the confirmations to be received from depository (ies) on which the Mutual Fund has no control. Further, Investors may note that buying and selling units on stock exchange requires the investor to engage the services of a broker and are subject to payment of margins as required by the stock exchange/ broker, payment of brokerage, securities transactions tax and such other costs.

Aditya Birla Sun Life **Dividend Yield Fund**

- The NAV of the units of Silver ETF are determined based on the formula as prescribed by the SEBI, whereas the actual price in the market may be different from the value of silver at based on the prescribed formula. This may lead to a condition where the NAV is too different from the domestic market price of silver. In such cases the trustees reserves the right to delay or suspend the buy/sell transactions.
- A day on which valuation on London Bullion Market Association (LBMA) is not available shall not be a Business day and hence NAV for the said day shall not be available to the Investors.
- Governments, central banks and related institutions, own a significant portion of the aggregate world silver holdings. If one or more of these institutions decides to sell in amounts large enough to cause a decline in world silver prices, the price of Units of the Scheme will be adversely affected.
- Conversion of underlying physical silver into the Units of the ETFs may attract capital gain tax depending on acquisition cost and holding period.

C. **RISK MITIGATION STRATEGIES**

The overall portfolio structuring would aim at controlling risk at a moderate level. Both very aggressive and very defensive postures would be avoided. Stock-specific risk will be minimised by investing only in those companies that have been thoroughly researched by ABSLAMC's research team. Risk will also be managed through broad diversification of the portfolio within the framework of the above mentioned investment objective and policies. Macroeconomic risk will be addressed through focused and ongoing review of relevant business and economic environment. All efforts will be made to protect the NAV of the scheme and the interest of the unit holders.

Liquidity will be a very important consideration for investment decisions, due to the potential of large redemptions inherent in open ended schemes. As a result, a reasonable proportion of the scheme's investments will be made in relatively liquid investments.

While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.

II. **INFORMATION ABOUT THE SCHEME**

A. **WHERE WILL THE SCHEME INVEST?**

Subject to the Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

1. **Equity share** – Equity Share is a security that represents ownership interest in a company.
2. **Equity Related Instruments** – Equity related instruments include convertible debentures, convertible preference shares, warrants carrying the right to obtain equity shares, equity derivatives and units of Real Estate Investment Trust and such other instrument as may be specified by the Board from time to time.
3. **Equity Derivatives** – are financial instruments, generally traded on an exchange, the price of which is directly dependent upon (i.e., "derived from") the value of equity shares or equity indices. Derivatives involve the trading of rights or obligations based on the underlying, but do not directly transfer property. The equity derivatives may take the following forms:

Futures: Futures are exchange-traded contracts to sell or buy financial instruments for future delivery at a date and at an agreed price. SEBI has permitted futures contracts on indices and individual stocks with maturity of 1 month, 2 months and 3 months on a rolling basis. The futures contracts are settled on last Thursday (or immediately preceding trading day if Thursday is a trading holiday) of each month. The final settlement price is the closing price of the underlying stock(s)/index.

Options: Option is a contract which provides the buyer of the option the right, without the obligation, to buy or sell a specified asset at the agreed price on or up to a particular date. Option contracts are of two types viz:

(a)Call Option–The option that gives the buyer the right but not the obligation to buy specified quantity of the underlying asset at the strike price is a call option.

(b)Put Option–The option that gives the buyer the right but not the obligation to sell is called put option.

4. Liquid and Money Market Instruments:

- i. **Commercial Paper (CP)** -CP is an unsecured negotiable money market instrument issued in the form of a promissory note, generally issued by the corporates, primary dealers and all India Financial Institutions as an alternative source of short term borrowings. They are issued at a discount to the face value as may be determined by the issuer. CP is traded in secondary market and can be freely bought and sold before maturity.
- ii. **Treasury Bills (T-Bills)** are issued by the Government of India to meet their short term borrowing requirements. T-Bills are issued for maturities of 91 days, 182 days and 364 days. T-bills are issued at a discount to their face value and redeemed at par.
- iii. **Repos/reverse repos in Government Securities** as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). Repo (Repurchase Agreement) or Reverse Repo is a transaction in which two parties agree to sell and purchase the same security with an agreement to purchase or sell the same security at a mutually decided future date and price.
- iv. **Triparty Repo (TREPS)** –"Triparty repo" means a repo contract where a third entity (apart from the borrower and lender), called a Tri-Party Agent, acts as an intermediary between the two parties to the repo to facilitate services like collateral selection, payment and settlement, custody and management during the life of the transaction. TREPS facilitates, borrowing and lending of funds, in Triparty Repo arrangement.
5. Investments in units of mutual fund schemes –The Scheme may invest in Liquid, Overnight and Money Market Schemes managed by the AMC or in the schemes of any other mutual funds.
6. Units of Gold and Silver ETF
7. Units of InVITs
8. Investment in Short Term Deposits –Pending deployment of funds as per the investment objective of the Scheme, the Funds may be parked in short term deposits of the Scheduled Commercial Banks, subject to guidelines and limits specified by SEBI.
9. Liquid instruments shall include cash, bank deposits with Scheduled Commercial Banks, Government Securities, Treasury bills, Repo on Government securities and any other instruments as specified by SEBI.
10. Money Market Instruments including commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity upto one year, call or notice money, certificate of deposit, usance bill and any other like instruments as specified by the Reserve Bank of India/SEBI from time to time subject to regulatory approvals, if any.

The securities mentioned above could be listed or to be listed, secured or unsecured, and of varying maturity, as enabled under SEBI (MF) Regulations/circulars/ RBI. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals.

B. WHAT ARE THE INVESTMENT RESTRICTIONS?

All investments by the Scheme and the Mutual Fund will be within the investment restrictions as specified in the SEBI (MF) Regulations. Pursuant to the SEBI (MF) Regulations, the following investment and other restrictions are presently applicable to the scheme:

- All investments by the Scheme shall be made only in listed or to be listed equity shares and equity related instruments.
- No mutual fund scheme shall invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any entity.
- Provided that, the limit of 10 per cent shall not be applicable for investments in case of index fund or exchange traded fund or sector or industry specific scheme.
- .
- In accordance with para 13.1 of SEBI Master Circular on Mutual Funds as amended from time to time, the scheme shall not invest more than:

Aditya Birla Sun Life Dividend Yield Fund

- a. 10% of its NAV in debt and money market securities rated AAA; or
- b. 8% of its NAV in debt and money market securities rated AA; or
- c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit.

The long term rating of issuers shall be considered for the money market instruments. However, if there is no long term rating available for the same issuer, then based on credit rating mapping of CRAs between short term and long term ratings, the most conservative long term rating shall be taken for a given short term rating. Exposure to government money market instruments such as TREPS on G-Sec/ T-bills shall be treated as exposure to government securities.

Provided that, such limit shall not be applicable for investments in government securities, treasury bills and Tri-Party Repos.

Provided further that investments within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with the Board:

Provided further that such limit shall not be applicable for investments in case of debt exchange traded funds or such other funds as may be specified by the Board from time to time.

The Scheme existing as on the date of aforesaid circular shall be grandfathered from these guidelines till the maturity of the underlying debt and money market securities.

- Investment in unrated debt and money market instruments (other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc.) by the Scheme shall not exceed 5% of the net assets of the Scheme. However, all such investments shall be made with the prior approval of the Board of AMC and Trustees.
- The Scheme shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging. However, mutual fund schemes may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio of the scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.
Provided further that, the Scheme shall comply with the norms under this clause within the time and in the manner as may be specified by the Board.
- All investments by the Scheme in CPs would be made only in CPs which are listed or to be listed.
- The Mutual Fund under all its Scheme shall not own more than 10% of any company's paid up capital carrying voting rights or ten per cent of units of REITs issued by a single issuer, as the case may be. Provided, for investments in asset management company or trustee company of other mutual fund, collective investment of sponsor of a mutual fund, its associate and/or its group company, and its AMC through Schemes should be considered for calculating 10% voting rights.
- Transfer of investments from one scheme to another scheme in the Mutual Fund is permitted provided:
 - Such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and
 - The securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.
- Transfer of investments from one scheme to another scheme in the Mutual Fund is permitted provided the same are in line with para 13.19 of SEBI Master Circular on Mutual Funds .
- The Fund shall get the securities purchased or transferred in the name of the Mutual fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.
- The Fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities. Further the Mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified

Aditya Birla Sun Life Dividend Yield Fund

by the SEBI. Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.

- Pending deployment of the corpus of the Scheme in securities in terms of investment objective, the Fund can invest the corpus of the Scheme in short term deposits of scheduled commercial banks in accordance with the guidelines issued by SEBI. Accordingly, as presently prescribed, the requirements of para 13.7 of SEBI Master Circular on Mutual Funds and such other guidelines as may be specified by SEBI from time to time:
 - “Short Term” for parking of funds shall be treated as a period not exceeding 91 days. Such short-term deposits shall be held in the name of the Scheme.
 - The Scheme shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled commercial banks put together. However, such limit may be raised to 20% with the approval of the Trustee.
 - Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
 - The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
 - The Scheme shall not park funds in short-term deposit of a bank which has invested in the Scheme. The bank in which a scheme has short-term deposit shall not invest in the scheme until the scheme has short-term deposit with such bank.

The AMC will not charge any investment management and advisory fees for funds under the Scheme parked in short term deposits of scheduled commercial banks.

The above norms do not apply to term deposits placed as margins for trading in cash and derivatives market. However, all term deposits placed as margins shall be disclosed in the half yearly portfolio statements under a separate heading. Details such as name of bank, amount of term deposits, duration of term deposits, percentage of NAV should be disclosed.

- The Scheme shall not make any investment in:
 - Any unlisted security of an associate or group company of the Sponsor; or
 - Any security issued by way of private placement by an associate or group company of the Sponsor; or
 - The listed securities of group companies of the Sponsor, which is in excess of 25% of the net assets
- The Mutual Fund shall not borrow except to meet temporary liquidity needs of the Mutual Fund for the purpose of repurchase / redemption of Units or payment of interest and IDCW to the Unitholders. Provided that the Mutual Fund shall not borrow more than 20% of the net assets of any individual Scheme and the duration of the borrowing shall not exceed a period of 6 months.
- Subject to guidelines laid down in para 13.11 of SEBI Master Circular on Mutual Funds, the Scheme may invest upto 20% of the average Asset Under Management (‘AUM’) of the previous three calendar months in overseas securities subject to maximum limit of USD 1 billion at a Fund house level. Pursuant to para 13.11 of SEBI Master Circular on Mutual Funds it is clarified that the aforesaid 20% limit for ongoing investment in overseas securities will be soft limit for purpose of reporting only on a monthly basis to SEBI.
- For overseas ETFs, Mutual Funds can make investment subject to a maximum of US \$ 300 million per Mutual Fund.
- The entire Scheme's investments will be in transferable securities (whether in capital markets or money markets) or in privately placed debenture or securitised debt, or bank deposits (pending deployment in securities in line with the investment objectives of the scheme) or in money at call.
- The Scheme shall not invest in a fund of funds scheme.
- The Scheme shall not invest in Credit default swaps, securities lending and short selling.
- The Scheme will comply with any other regulations applicable to the investments of mutual funds from time to time.
- The Scheme will comply with any other regulations applicable to the investments of mutual funds from time to time.

As such investments by the Scheme will be made in accordance with SEBI (MF) Regulations, including Schedule VII thereof.

Aditya Birla Sun Life Dividend Yield Fund

C. FUNDAMENTAL ATTRIBUTES

Following are the fundamental attributes of the Scheme, in terms of in terms of Clause 1.9 of SEBI Master Circular for Mutual Funds

- **Type of Scheme:** An open-ended scheme predominantly investing in dividend yielding stocks.
- **Investment objective:** The objective of the scheme is to provide capital growth and income by investing primarily in a well-diversified portfolio of dividend yielding companies.

The Scheme does not guarantee/indicate any returns. There can be no assurance that the objective of the Scheme will be achieved.

- **Asset Allocation Pattern:**
Please refer to 'Part B- Where will the Scheme invest?' of this SID for details.
- **Terms of Issue: Listing/Redemption of Units:**
As mentioned in "Other Scheme Specific Disclosures" of this SID
- **Aggregate Fees and Expenses**
Please refer to Part III of this SID.
- **Any Safety Net provided:**
This Scheme does not provide any guaranteed or assured return to its Investors.

In accordance with Regulation 22(9)(c) of the SEBI (MF) Regulations, 2026 and Paragraph 1.9.2 of SEBI Master Circular for Mutual Funds the Trustees shall ensure that no change in the fundamental attributes of the Scheme(s) and the Plan(s) / Option(s) thereunder or the trust or fee and expenses payable or any other change which would modify the Scheme(s) and the Plan(s) / Option(s) thereunder and affect the interests of Unitholders is carried out unless:

- SEBI has reviewed and provided its comments on the proposal;
- A written communication (including digital modes such as email/sms, etc. about the proposed change is sent to each Unitholder and details as specified by the Board are appropriately displayed on the website of the AMC; and
- The unitholders are given an option for a period of atleast 30 calendar days to exit at the prevailing Net Asset Value without any exit load.

D. OTHER SCHEME SPECIFIC DISCLOSURES

Listing and transfer of units	The Scheme being open ended; the Units are not proposed to be listed on any stock exchange. However, the Fund may at its sole discretion list the Units on one or more stock exchanges at a later date if it considers this to be necessary in the interest of unit holders of the scheme. Units are freely transferable, the AMC shall on production of instrument of transfer together with the relevant documents, register the transfer within thirty days from the date of such production. Further, on listing, the Units of the scheme held in electronic (demat) form would be transferable. Transfers should be only in favour of transferees who are eligible for holding Units under the Scheme. The AMC shall not be bound to recognise any other transfer. For effecting the transfer of Units held in electronic form, the Unitholders would be required to lodge delivery instructions for transfer of Units with the DP in the requisite form as may be required from time to time and the transfer
--------------------------------------	---

Aditya Birla Sun Life Dividend Yield Fund

	will be effected in accordance with such rules/regulations as may be in force governing transfer of securities in electronic (demat) mode. In accordance with para 15.7 of SEBI Master Circular on Mutual Funds on transferability of mutual fund units, investors/unitholders of the schemes of Aditya Birla Sun Life Mutual Fund are requested to note that units held in electronic (demat) form shall be transferable under the depository system, except in case of units held in Equity Linked Savings Scheme (ELSS) during the lock-in Period and will be subject to the transmission facility in accordance with the provisions of Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018, as may be amended from time to time if a person becomes a holder of the Units consequent to operation of law, or upon enforcement of a pledge, the Fund will, subject to production of satisfactory evidence, effect the transfer, if the transferee is otherwise eligible to hold the Units. Similarly, in cases of transfers taking place consequent to death, insolvency etc., the transferee's name will be recorded by the Fund subject to production of satisfactory evidence. Transfer of units will be subject to payment of applicable stamp duty by the Unitholder(s).
Dematerialization of units	The Unitholders are given an Option to subscribe to/hold the units by way of an Account Statement or in Dematerialized ('Demat') form. Unitholders opting to hold the units in electronic (demat) form must provide their Demat Account details in the specified section of the application form. The Unit holder intending to hold the units in Demat form are required to have a beneficiary account with a Depository Participant (DP) (registered with NSDL / CDSL) and will be required to indicate in the application the DP's name, DP ID Number and the beneficiary account number of the applicant held with the DP at the time of subscribing to the units. Applicants must ensure that the sequence of the names as mentioned in the application form matches with that of the beneficiary account held with the DP. Names, PAN details, KYC details etc. mentioned in the Application Form will be verified against the Depository records. In case the unit holders do not provide their Demat Account details or provide incomplete details or the details do not match with the records as per Depository(ies), units shall be allotted in physical (non-demat) form, subject to it being complete in all other aspects. Unitholders who have opted to hold and thereby allotted units in electronic (demat) form will receive payment of redemption / IDCW proceeds into bank account linked to their Demat account. However, Special Products/ Facilities such as Systematic Transfer Plan, Systematic Withdrawal Plan, Switching etc. offered by ABSLAMC/Mutual Fund under the scheme shall be available for unitholders in case the units are held/opted to be held in physical (non-demat) mode. Further, the Investors also have an option to subscribe to / hold units in demat form through fresh investment applications for SIP. Under SIP option, units will be allotted based on the applicable NAV as per provisions of this SID and will be credited to demat account of the investors on weekly basis (upon realisation of funds). The allotment of units in demat form shall be subject in terms of the guidelines/procedural requirements as laid by the Depositories (NSDL/CDSL) from time to time. In case, the Unitholder desires to hold the Units in a Dematerialized /Rematerialized form at a later date, the request for conversion of units held in physical (non-demat) mode into electronic (demat) form or vice-versa should be submitted alongwith a Demat/Remat Request Form to their Depository Participant(s). Investors should ensure that the combination of names in the account statement is the same as that in the demat account.

Aditya Birla Sun Life Dividend Yield Fund

Minimum Target amount (This is the minimum amount required to operate the scheme and if this is not collected during the NFO period, then all the investors would be refunded the amount invested without any return.)	N.A.
Maximum Amount to be raised (if any)	N.A.
Income Distribution cum capital withdrawal Policy	Under IDCW option, it is proposed to declare IDCW subject to the availability of distributable surplus as computed in accordance with SEBI Regulations. IDCW, if declared, will be paid (subject to deduction of tax at source, if any) to those unitholders, whose names appear in the register of unitholders on the notified record date. AMC reserves the right to change the record date from time to time. However, it must be distinctly understood that actual declaration of IDCW and frequency thereof is at the discretion of Trustees. There is no assurance or guarantee to unitholders as to the rate of IDCW nor that will the IDCW be paid regularly. On payments of IDCW, the NAV will stand reduced by the amount of IDCW paid and other statutory levies, if applicable. IDCW Distribution Procedure: The salient features with respect to the IDCW distribution, in accordance with Chapter 12 of SEBI Master Circular on Mutual Funds are as follows: • Quantum of IDCW and Record date shall be fixed by the Trustees. • AMC shall issue a notice to the public communicating the decision about IDCW including the record date, within one calendar day of the decision made by the trustees in their meeting. Record date shall be the date that will be considered for the purpose of determining the eligibility of investors whose name appear on the register of unitholders. Record date shall be two working days from the date of publication in at least one English newspaper or in a newspaper published in the language of the region where the Head Office of the mutual fund is situated, whichever is issued earlier. However, the aforesaid procedure shall not be applicable for plan/ options having frequency of IDCW distribution from daily upto monthly.
Allotment (Detailed procedure)	All Applicants whose cheques towards purchase of Units have been realised will receive a full and firm allotment of Units, provided that the applications are complete in all respects and are found to be in order. In case of Unitholder who have provided their e-mail address the Fund will provide the Account Statement only through e-mail message, subject to SEBI Regulations and unless otherwise required. Subject to the SEBI Regulations, the AMC / Trustee may reject any application received in case the application is found invalid/incomplete or for any other reason in their sole discretion. All allotments will be provisional, subject to realisation of payment instrument and subject to the AMC having been reasonably satisfied about receipt of clear funds. Any redemption or switch out transaction in the interim is liable to be rejected at the sole discretion of the AMC. Allotment to NRIs/FPIs will be subject to RBI approval, if required. It is mandatory for NRIs to attach a copy of the payment cheque / FIRC / Debit Certificate to ascertain the repatriation status of the amount invested. NRI Applicants should also clearly tick on account type as NRE or NRO or FCNR to determine the repatriation status of the investment amount. The AMC and the Registrar may ascertain the repatriation status purely based on the details provided in the application form under Investment and Payment details and will not be liable for any incorrect information provided by the applicants. Applicants

Aditya Birla Sun Life Dividend Yield Fund

	will have to coordinate with their authorized dealers and banks to repatriate the investment amount as and when needed. All applications and/or refunds that are rejected for any reason whatsoever will be returned by normal post within 15 days to the address as mentioned by the applicant. The Mutual Fund reserves the right to recover from an investor any loss caused to the Schemes on account of dishonour of cheques issued by him/her/it for purchase of Units.
Refund	Not applicable for ongoing schemes.
Who can invest This is an indicative list and investors shall consult their financial advisor to ascertain whether the scheme is suitable to their risk profile.	The following persons are eligible and may apply for subscription to the Units of the Scheme (subject, wherever relevant, to purchase of units of mutual funds being permitted under relevant statutory regulations and their respective constitutions): 1. Resident adult individuals either singly or jointly (not exceeding three) or on an Anyone or Survivor basis; 2. Karta of Hindu Undivided Family (HUF); 3. Minors through parent / legal guardian; 4. Partnership Firms & Limited Liability Partnerships (LLPs); 5. Companies, Bodies Corporate, Public Sector Undertakings, Association of Persons or bodies of individuals and societies registered under the Societies Registration Act, 1860; 6. Banks & Financial Institutions; 7. Mutual Funds / Alternative Investment Funds registered with SEBI; 8. Religious and Charitable Trusts, Wakfs or endowments of private trusts (subject to receipt of necessary approvals as required) and Private trusts authorised to invest in mutual fund schemes under their trust deeds; 9. Non-Resident Indians (NRIs) / Persons of Indian origin (PIOs) / Overseas Citizen of India (OCIs) residing abroad on repatriation basis or on non-repatriation basis; 10. Foreign Portfolio Investors (FPIs) registered with SEBI 11. Army, Air Force, Navy and other para-military units and bodies created by such institutions; 12. Scientific and Industrial Research Organisations; 13. Multilateral Funding Agencies / Bodies Corporate incorporated outside India with the permission of Government of India / Reserve Bank of India; 14. Other schemes of Mutual Funds subject to the conditions and limits prescribed by SEBI Regulations; 15. Trustee, AMC or Sponsor or their associates may subscribe to Units under the Scheme; 16. Such other individuals / institutions / body corporate etc., as may be decided by the Mutual Fund from time to time, so long as wherever applicable they are in conformity with SEBI (MF) Regulations. Notes: • NRI and PIO residing abroad (NRIs) / OCI have been granted a general permission by Reserve Bank of India [Schedule 5 of the Foreign Exchange Management (Transfer or Issue of Security by a Person Resident Outside India) Regulations, 2000 for investing in / redeeming units of the mutual funds subject to conditions set out in the aforesaid regulations. • Subject to provisions of SEBI (MF) Regulations, FEMA and other applicable regulations read with guidelines and notifications issued from time to time by SEBI and RBI, investments in the schemes can be made by various categories of persons as listed above including NRIs, FPIs etc. FATCA is a United States (US) Federal Law, aimed at prevention of tax evasion by US Citizens and Residents (US Persons) through use of offshore accounts. FATCA provisions were included in the Hiring Incentives to Restore Employment (HIRE) Act, enacted by US Legislature.

SEBI vide its circular no. CIR/MIRSD/2/2014 dated June 30, 2014, has advised that Government of India and US Government have reached an agreement in substance on the terms of an Inter-Governmental Agreement (IGA) to implement FATCA and India is now treated as having an IGA in effect from April 11, 2014. Further, SEBI vide its circular no. CIR/MIRSD/2/2015 dated August 26, 2015 has informed that on July 9, 2015, the Government of India and US Government have signed an agreement to improve international tax compliance and to implement FATCA in India. The USA has enacted FATCA in 2010 to obtain information on accounts held by U.S. taxpayers in other countries. As per the aforesaid agreement, foreign financial institutions (FFIs) in India will be required to report tax information about U.S. account holders / taxpayers directly to the Indian Government which will, in turn, relay that information to the U.S. Internal Revenue Service (IRS).

Aditya Birla Sun Life AMC Limited (the AMC)/the Fund is classified as a Foreign Financial Institution (FFI) under the FATCA provisions and in accordance therewith, the AMC/the Fund would be required, from time to time:

- (i) To undertake necessary due diligence process by collecting information/documentary evidence about US/Non US status of the investors/unit holders and identify US reportable accounts;
- (ii) To the extent legally permitted, disclose/report information (through itself or its service provider) about the holdings, investment returns pertaining to US reportable accounts to the specified US agencies and/or such Indian authorities as may be specified under FATCA guidelines or under any other guidelines issued by Indian Authorities such as SEBI, Income Tax etc. (collectively referred to as 'the Guidelines') and;
- (iii) Carry out any other related activities, as may be mandated under the Guidelines, as amended from time to time.

FATCA due diligence will be applicable at each investor/unit holder (including joint holders) level and on being identified as reportable person/specified US person, all folios/accounts will be reported including their identity, direct or indirect beneficiaries, beneficial owners and controlling persons. Further, in case of folio(s)/account(s) with joint holder(s), the entire account value of the investment portfolio will be attributable under each such reportable person. Investor(s)/Unit Holder(s) will therefore be required to comply with the request of the AMC/the Fund to furnish such information, in a timely manner as may be required by the AMC/the Fund to comply with the due diligence/reporting requirements stated under IGA and/or the Guidelines issued from time to time. FATCA provisions are relevant not only at on-boarding stage of investor(s)/unit holder(s) but also throughout the life cycle of investment with the Fund/the AMC. In view of this, Investors should immediately intimate to the Fund/the AMC, in case of any change in their status with respect to FATCA related declaration provided by them previously.

The Fund/AMC reserves the right to reject any application or redeem the units held directly or beneficially in case the applicant/investor(s) fails to furnish the relevant information and/or documentation in accordance with the FATCA provisions, notified.

The AMC reserves the right to change/modify the provisions mentioned above in response to any new regulatory development which may require to do so at a later date.

Unitholders should consult their own tax advisors regarding the FATCA requirements with respect to their own situation and investment in the schemes of Aditya Birla Sun Life Mutual Fund to ensure that they do not suffer U.S. withholding tax on their investment returns.

Aditya Birla Sun Life Dividend Yield Fund

	• In case of application under a Power of Attorney or by a limited company or a corporate body or an eligible institution or a registered society or a trust fund, the original Power of Attorney or a certified true copy duly notarised or the relevant resolution or authority to make the application as the case may be, or duly notarised copy thereof, alongwith a certified copy of the Memorandum and Articles of Association and/or bye-laws and / or trust deed and / or partnership deed and Certificate of Registration should be submitted. The officials should sign the application under their official designation. A list of specimen signatures of the authorised officials, duly certified / attested should also be attached to the Application Form. In case of a Trust / Fund it shall submit a resolution from the Trustee(s) authorising such purchases and redemptions. • Returned cheques are not liable to be presented again for collection, and the accompanying application forms are liable to be rejected. In case the returned cheques are presented again, the necessary charges, if any, are liable to be debited to the investor. • The list given above is indicative and the applicable law, if any, shall supersede the list. • The Trustee, reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by the investor for purchase of units of this Scheme. • Prospective investors are advised to satisfy themselves that they are not prohibited by any law governing such entity and any Indian law from investing in the Scheme(s) and are authorized to purchase units of mutual funds as per their respective constitutions, charter documents, corporate / other authorizations and relevant statutory provisions.
Who cannot invest	The persons/entities as specified under section "Who Can Invest" shall not be eligible to invest in the Scheme, if such persons/entities are: 1. United States Person (U.S. person*) as defined under the extant laws of the United States of America, except the following: a. NRIs/PIOs may invest/transact, in the Scheme, when present in India, as lump sum subscription, redemption and/or switch transaction and registrations of systematic transactions only through physical form and upon submission of such additional documents/undertakings, etc., as may be stipulated by AMC/ Trustee from time to time and subject to compliance with all applicable laws and regulations prior to investing in the Scheme. b. FPIs may invest in the Scheme as lump sum subscription and/or switch transaction (other than systematic transactions) through submission of physical form in India, subject to compliance with all applicable laws and regulations and the terms, conditions, and documentation requirements stipulated by the AMC/Trustee from time to time, prior to investing in the Scheme. The Trustee/AMC reserves the right to put the transaction requests received from such U.S. person on hold/reject the transaction request/redeem the units, if allotted, as the case may be, as and when identified by the AMC that the same is not in compliance with the applicable laws and/or the terms and conditions stipulated by Trustee/AMC from time to time. Such redemptions will be subject to applicable taxes and exit load, if any. The physical application form(s) for transactions (in non-demat mode) from such U.S. person will be accepted ONLY at the Investor Service Centres (ISCs) of Aditya Birla Sun Life AMC Limited. Additionally, such transactions in physical application form(s) will also be accepted through Distributors and other platforms subject to receipt of such additional documents/undertakings, etc., as may be stipulated by AMC/ Trustee from time to time from the Distributors/ Investors.

The policy regarding reissue of repurchased units, including the maximum extent, the manner of reissue, the entity (the scheme or the AMC) involved in the same.	The Units can be repurchased/redeemed (i.e., sold back to the Fund) or Switched-out on every business day, at the Applicable NAV subject to payment of exit load, if any and lock-in period, if any. The Units so repurchased shall not be reissued. The Redemption / Switch-out request can be made by way of a written request / pre-printed form / relevant tear off section of the Transaction Slip enclosed with the Account Statement, which should be submitted at / may be sent by mail to any of the ISCs. In case the Units are held in the names of more than one Unit holder, where mode of holding is specified as "Joint", Redemption requests will have to be signed by all the joint holders. However, in cases of holding specified as 'Anyone or Survivor', any of the Unit holders will have the power to make Redemption request, without it being necessary for all the Unit holders to sign. However, in all cases, the Redemption proceeds will be paid only to the first named holder.
Restrictions, if any, on the right to freely retain or dispose of units being offered.	Suspension of Sale / Switching Options of the Units: The Mutual Fund at its sole discretion reserves the right to suspend sale and switching of Units in the Scheme temporarily or indefinitely when any of the following conditions exist. However, the suspension of sale and switching of Units either temporarily or indefinitely will be with the approval of the Trustee. 1. When one or more stock exchanges or markets, which provide basis for valuation for a substantial portion of the assets of the Scheme are closed otherwise than for ordinary holidays. 2. When, as a result of political, economic or monetary events or any circumstances outside the control of the Trustee and the AMC, the disposal of the assets of the Scheme are not reasonable, or would not reasonably be practicable without being detrimental to the interests of the Unit holders. 3. In the event of breakdown in the means of communication used for the valuation of investments of the Scheme, without which the value of the securities of the Scheme cannot be accurately calculated. 4. During periods of extreme volatility of markets, which in the opinion of the AMC are prejudicial to the interests of the Unit holders of the Scheme. 5. In case of natural calamities, strikes, riots and bandhs.

Aditya Birla Sun Life Dividend Yield Fund

	6. In the event of any force majeure or disaster that affects the normal functioning of the AMC or the ISC. 7. If so directed by SEBI. The AMC reserves the right in its sole discretion to withdraw the facility of Sale and Switching option of Units into the Scheme [including any one Plan/Option of the Scheme], temporarily or indefinitely, if AMC views that changing the size of the corpus further may prove detrimental to the existing Unit holders of the Scheme
Right to Redemptions	Limit a) Liquidity issues - When markets at large become illiquid affecting almost all securities rather than any issuer specific security. b) Market failures, exchange closures - When markets are affected by unexpected events which impact the functioning of exchanges or the regular course of transactions. Such unexpected events could also be related to political, economic, military, monetary or other emergencies. c) Operational issues - When exceptional circumstances are caused by <i>force majeure</i>, unpredictable operational problems and technical failures (e.g. a black out). Under the aforesaid circumstances, ABSLAMC / Trustee may restrict redemption for a specified period of time not exceeding 10 working days in any 90 days period. For redemption requests placed during the restriction period the following provisions will be applicable: (i) For redemption requests upto Rs. 2 lakhs the above-mentioned restriction will not be applicable and (ii) Where redemption requests are above Rs. 2 lakhs, AMCs shall redeem the first Rs. 2 lakhs without such restriction and remaining part over and above Rs. 2 lakhs shall be subject to such restriction. ABSLAMC / Trustee reserves the right to change / modify the provisions of right to limit Redemption / switch-out of units of the Scheme(s) pursuant to direction/ approval of SEBI.
Cut off timing for subscriptions/ redemptions/ switches This is the time before which your application (complete in all respects) should reach the official points of acceptance.	In accordance with provisions of para 9.4 of SEBI Master Circular on Mutual Funds , and further amendments if any, thereto, the following cut-off timings shall be observed by Mutual Fund in respect of purchase/ redemption/ switches of units of the scheme, and the following NAVs shall be applied in each case: I. APPLICABLE NAV FOR SUBSCRIPTIONS/PURCHASE INCLUDING SWITCH-IN OF ANY AMOUNT: - In respect of valid applications received upto 3.00 p.m. and where funds for the entire amount are available for utilization before the cut-off time i.e. credited to the bank account of the scheme before the cut-off time - the closing NAV of the day shall be applicable. - In respect of valid applications received after 3.00 p.m. and where the funds for the entire amount are credited to the bank account of the scheme before the cut-off time of the next business day i.e. available for utilization before the cut-off time of the next business day – the closing NAV of the next business day shall be applicable.

Aditya Birla Sun Life Dividend Yield Fund

	- Irrespective of the time of receipt of application on any given day, where the funds for the entire amount are credited to the bank account of the scheme before the cut-off time on any subsequent business day i.e. available for utilization before the cut-off time on any subsequent business day - the closing NAV of such subsequent business day shall be applicable. - In case of switch transactions from one scheme to another, the allocation to switch-in scheme shall be in line with the redemption payouts. Further, for systematic transactions viz. Systematic Investment Plans, Systematic Transfer Plans, etc., units will be allotted as per the closing NAV of the day when funds are available for utilization by the target scheme, irrespective of the systematic instalment date. II. APPLICABLE NAV FOR REDEMPTIONS INCLUDING SWITCH-OUT OF UNITS: - In respect of valid applications received upto 3.00 p.m. by the Mutual Fund, same day's closing NAV shall be applicable. - In respect of valid applications received after 3.00 p.m. by the Mutual Fund, the closing NAV of the next business day shall be applicable. While the Applicable NAV shall be as per cut-off time specified above, the NAV shall be declared in accordance with the provisions as mentioned in this Scheme Information Document.
Minimum amount for purchase/redemption/switches	Lumpsum : Fresh Purchase (Incl. Switch-in): Minimum of Rs. 1,000/- and in multiples of Re. 1/- thereafter For Monthly and Weekly Systematic Investment Plan: Minimum of Rs. 100/- and in multiples of Re. 1/- thereafter. Daily SIP: Rs 100/- and in multiples of Re. 1/- thereafter availed through physical mode and Rs 10/- and in multiples of Re. 1/- thereafter availed through online mode and digital platforms. Additional Purchase (Incl. Switch-in): Minimum of Rs. 1,000/- and in multiples of Re. 1/- thereafter Subscriptions on an ongoing basis can be made only by specifying the amount to be invested and not the number of Units to be subscribed. The total number of Units allotted will be determined with reference to the applicable Sale Price and fractional Units may be created. Fractional Units will be computed and accounted for upto three decimal places and they will in no way affect an investor's ability to redeem Units. Repurchase for all Plans/Options: Re. 1/- and in multiple of Re. 1/- thereafter. In case of partial redemption, if the balance amount held in the unitholder's folio/account under the plan/option of the scheme(s) is less than Re.1, then the transaction shall be treated as "All Units' redemption and the entire balance of available units in the folio/account of the unitholder shall be redeemed. The Redemption would be permitted to the extent of clear credit balance in the Unit holder's account. The Redemption request can be made by specifying the rupee amount or by specifying the number of Units to be redeemed. If a Redemption request is for both, a specified rupee amount and a specified number of Units, the specified number of Units will be considered

Aditya Birla Sun Life Dividend Yield Fund

	the definitive request. If only the Redemption amount is specified by the Unit holder, the AMC will divide the Redemption amount so specified by the Redemption Price to arrive at the number of Units. The request for Redemption of Units could also be in fractions, upto three decimal places. However, in case of units held in electronic (demat) mode, the redemption request can be given only in number of Units. Also Switch transactions are currently not available in case of units held in electronic (demat) mode. The minimum amount of Redemption may be changed in future by the AMC. If the balance in the account of the Unit holder does not cover the amount. Redemption request, then the Mutual Fund is authorised to close the account of the Unit holder and send the entire such (lesser) balance to the Unit holder. For further details refer paragraph on Redemption.
Ongoing Price for redemption (sale) / switch outs (to other schemes / plans of the Mutual Fund) by investors. This is the price you will receive for redemptions/switch outs.	At Applicable NAV, subject to prevailing exit load, if any. For example, if the Applicable NAV of the Scheme is Rs.10/- and the Exit Load is 2%, then the Redemption Price will be calculated as follows: Redemption Price = Rs. 10* (1-2%) i.e. Rs. 10*0.98 = Rs. 9.80/- Redemption amount of 1,000 Units = 1,000*9.80 = Rs.9,800 (subject to applicable taxes)
Accounts Statements	The AMC shall send an allotment confirmation specifying the units allotted by way of email and/or SMS within 5 working days of receipt of valid application/transaction to the Unit holders registered e-mail address and/ or mobile number (whether units are held in demat mode or in account statement form). A Consolidated Account Statement (CAS) detailing all the transactions across all mutual funds and holding at the end of the month shall be sent to the Unit holders in whose folio(s) transaction(s) have taken place during the month on registered email address or before 12th of the succeeding month and by 15th of the succeeding month for those who have opted for physical copy Half-yearly CAS shall be issued at the end of every six months (i.e. September/ March) on or before 18th day of succeeding month on registered email address and 21st for those who have opted for physical copy to all investors providing the prescribed details across all schemes of mutual funds and securities held in dematerialized form across demat accounts, if applicable For further details, refer SAI.
IDCW	The IDCW warrants shall be dispatched to the unitholders within seven working days from the record date. In the event of failure of dispatch of IDCW within the stipulated period, the AMC shall be liable to pay interest @ 15 per cent per annum to the unit holders for the period of such delay. AMC will endeavor to credit the IDCW payouts directly to the designated Bank A/c of the unitholders of Aditya Birla Sun Life Mutual Fund schemes through any of the available electronic mode (i.e. RTGS / NEFT / Direct Credit / NECS). AMC reserves the right to use any of the above mode of payment as deemed appropriate for all folios where the required information is available.
Redemption	The Mutual Fund shall transfer the Redemption proceeds within three working days from the date of Redemption or repurchase. However, in case of exceptional circumstances as mentioned in AMFI letter no. AMFI/ 35P/ MEM-COR/ 74 / 2022-23 dated January 16, 2023, the redemption or repurchase proceeds will be transferred / dispatched to Unitholders within the time frame prescribed for such exceptional

	circumstances. For further details, investors are requested to refer to Statement of Additional Information (SAI). A penal interest of 15% p.a. or such other rate as may be prescribed by SEBI from time to time, will be paid in case the payment of redemption proceeds is not made within the stipulated timelines. The Units can be Redeemed (i.e. sold back to the Mutual Fund) or Switched-out on every Business Day at the Redemption Price. The Redemption / Switch-out request can be made by way of a written request / pre-printed form / relevant tear off section of the Transaction Slip enclosed with the Account Statement, which should be submitted at / may be sent by mail to any of the ISCs. In case an investor has purchased Units of the Scheme on more than one Business Day, the Units purchased prior in time will be redeemed/switched-out first. Thus, in case of valid application for redemption/switch-out is made by the investor, those Units of the scheme which have been held for the longest period of time will be redeemed/switched-out first i.e. on a First-in-First-Out basis. However, where Units under a Scheme are held under both Regular and Direct Plans and the redemption / Switch request pertains to the Direct Plan, the same must clearly be mentioned on the request (along with the folio number), failing which the request would be processed from the Regular Plan. However, where Units under the requested Option are held only under one Plan, the request would be processed under such Plan. Redemption would be permitted to the extent of clear credit balance in the Unit holder's account. The Redemption request can be made by specifying the rupee amount or by specifying the number of Units to be redeemed. If a Redemption request is for both, a specified rupee amount and a specified number of Units, the specified number of Units will be considered the definitive request. If only the Redemption amount is specified by the Unit holder, the AMC will divide the Redemption amount so specified by the Redemption Price to arrive at the number of Units. The request for Redemption of Units could also be in fractions, upto three decimal places. However, in case of units held in electronic (demat) mode, the redemption request can be given only in number of Units. Also Switch transactions are currently not available in case of units held in electronic (demat) mode. In case the Units are held in the names of more than one Unit holder, where mode of holding is specified as "Joint", Redemption requests will have to be signed by all the joint holders. However, in cases of holding specified as 'Anyone or Survivor', any of the Unit holders will have the power to make Redemption request, without it being necessary for all the Unit holders to sign. However, in all cases, the Redemption proceeds will be paid only to the first named holder. AMC will endeavor to credit the redemptions payouts directly to the designated Bank A/c of the unitholder through any of the available electronic mode (i.e. RTGS / NEFT / Direct Credit). AMC reserves the right to use any of the above mode of payment as deemed appropriate for all folios where the required information is available. AMC/Mutual Fund, however, reserves the right to issue a cheque / demand draft inspite of an investor opting for Electronic Payout.
Bank Mandate	In order to protect the interest of investors from fraudulent encashment of cheques, the current SEBI (MF) Regulations have made it mandatory for investors to mention in their application / Redemption request, the bank name

Aditya Birla Sun Life Dividend Yield Fund

	and account number. Applications without these details are liable to be rejected.
Delay in payment of redemption / repurchase proceeds/IDCW	The AMC shall be liable to pay interest to the unitholders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).
Unclaimed Redemption and Income Distribution cum Capital Withdrawal Amount	The unclaimed redemption amount and IDCW amounts may be deployed by the Mutual Fund in call money market or money market instruments or a separate plan of only Overnight scheme/Liquid scheme/ Money Market Mutual Fund scheme floated by Mutual Funds specifically for deployment of the unclaimed amounts. Provided that such schemes where the unclaimed redemption and IDCW amounts are deployed shall be only those Overnight scheme/ Liquid scheme / Money Market Mutual Fund schemes which are placed in A-1 cell (Relatively Low Interest Rate Risk and Relatively Low Credit Risk) of Potential Risk Class matrix as per para 6.16 of SEBI Master Circular on Mutual Funds . No exit load shall be charged on these plans and Total Expense Ratio (TER) of such plan shall be capped as per the TER of direct plan of such scheme or at 50bps whichever is lower. The investors who claim the unclaimed amounts during a period of three years from the due date shall be paid initial unclaimed amount along-with the income earned on its deployment. Investors who claim these amounts after 3 years, shall be paid initial unclaimed amount along-with the income earned on its deployment till the end of the third year. After the third year, the income earned on such unclaimed amounts shall be used for the purpose of investor education. Please refer to SAI for further details.
Disclosure w.r.t investment by minors	- In case of application in the name of minor, the minor has to be the first and the sole holder. No joint holder will be allowed with the Minor as the first or sole holder. The Guardian of the minor should either be a natural guardian (i.e. father or mother) or a court appointed legal guardian. In accordance with para 15.13 of SEBI Master Circular on Mutual Funds, payment for investment by any mode shall be accepted from the bank account of the minor, parent or legal guardian of the minor, or from a joint account of the minor with parent or legal guardian, else the transaction is liable to get rejected. A copy of birth certificate, passport copy, etc. evidencing date of birth of the minor and relationship of the guardian with the minor, should be mandatorily attached with the application. Further, irrespective of the source of payment for subscription, all redemption proceeds shall be credited only in the verified bank account of the minor, i.e. the account the minor may hold with the parent/ legal guardian after completing all KYC formalities. - The minor unitholder, on attaining majority, shall inform the same to AMC / Mutual Fund / Registrar and submit following documents to change the status of the account (folio) from 'minor' to 'major' to allow him to operate the account in his own right viz., (a) Duly filled request form for changing the status of the account (folio) from 'minor' to 'major'. (b) Updated bank account details including cancelled original cheque leaf of the new account (c) Signature attestation of the major by a bank manager of Scheduled bank / Bank certificate or Bank letter. (d) KYC acknowledgement letter of major. The guardian cannot undertake any financial and non-financial transactions after the date of the minor attaining majority in an account (folio) where the units are held on behalf of the minor, and further, no financial and non-financial transactions can be undertaken till the time the change in the status from 'minor' to 'major' is registered in the account (folio) by the AMC/ Mutual Fund. The list given above is indicative and the applicable law, if any, shall supersede the list.

Aditya Birla Sun Life Dividend Yield Fund

Minimum balance to be maintained and consequences of non-maintenance	There is no such requirement.
---	-------------------------------

III. OTHER DETAILS

A. PERIODIC DISCLOSURES SUCH AS MONTHLY DISCLOSURE. HALF YEARLY RESULTS AND ANNUAL REPORT

Portfolio Disclosures	In terms of SEBI Regulation, Mutual Funds/ AMCs will disclose portfolio (along with ISIN) as on the last day of the month / half-year for all Schemes on its website www.mutualfund.adityabirlacapital.com and on the website of AMFI (www.amfiindia.com) within 10 days from the close of each month/ half-year respectively in a user-friendly and downloadable spreadsheet format. The Mutual Fund/AMCs will send to Unitholders a complete statement of the scheme portfolio, within ten days from the close of each month whose email addresses are registered with the Mutual Fund. Mutual Funds/ AMCs will also provide a physical copy of the statement of its scheme portfolio, without charging any cost, on specific request received from a unitholder. https://mutualfund.adityabirlacapital.com/forms-and-downloads/portfolio
Half yearly results	Mutual Fund / AMC shall within one month from the close of each half year, (i.e. 31st March and on 30th September), host a soft copy of its unaudited financial results on its website (www.mutualfund.adityabirlacapital.com). Written communication (including digital modes such as email/SMS etc.) shall be sent to unitholders by the AMC about the availability of financial results. https://mutualfund.adityabirlacapital.com/financials
Annual report	The digital copy of scheme wise annual report or an abridged summary thereof shall be provided to all Unitholders not later than four months from the date of closure of the relevant accounting year whose email addresses are registered with the Mutual Fund. The physical copies of Scheme wise Annual report will also be made available to the unitholders, at the registered offices at all times. The scheme wise annual report will also be hosted on the AMC and AMFI website https://mutualfund.adityabirlacapital.com/financials
Scheme Summary Document	The AMC is required to prepare a Scheme Summary Document for all schemes of the Fund. The Scheme Summary document is a standalone scheme document that contains all the applicable details of the scheme. The document is updated by the AMCs on a monthly basis or on changes in any of the specified fields, whichever is earlier. The document is available on the websites of AMC, AMFI and Stock Exchanges in 3 data formats, namely: PDF, Spreadsheet and a machine readable format (either JSON or XML). https://mutualfund.adityabirlacapital.com/forms-and-downloads/disclosures
Risk-o-meter	Risk-o-meters shall be evaluated on a monthly basis and Mutual Funds/AMCs shall disclose the Risk-o-meters along with portfolio disclosure for their schemes on AMCs website and on AMFI website within 10 days from the close of each month. Mutual Funds shall also disclose the risk level of schemes as on March 31 of every year, along with number of times the risk level has changed over the year, on AMCs website and AMFI website.

<https://mutualfund.adityabirlacapital.com/forms-and-downloads/scheme-risk-o-meter>

B. TRANSPARENCY/NAV DISCLOSURE

The NAVs will be calculated and disclosed for every Business Day. NAV of the scheme will be calculated up to two decimal places. AMC reserves the right to calculate NAV more than two decimal places. AMC shall update the NAV on the AMFI website (www.amfiindia.com) and on the website of the Mutual Fund (www.mutualfund.adityabirlacapital.com) by 10.00 am, of the immediately succeeding Business Day.

In case of any delay, the reasons for such delay would be explained to AMFI in writing. If the NAVs are not available before commencement of business hours on the following day due to any reason, Mutual Fund shall issue a press release providing reasons and explaining when the Mutual Fund would be able to publish the NAVs.

Further, the Mutual Fund / AMC will extend facility of sending latest available NAVs of the Scheme to the Unit holders through SMS upon receiving a specific request in this regard. Also, information regarding NAVs can be obtained by the Unit holders / Investors by calling or visiting the nearest ISC.

C. TRANSACTION CHARGES AND STAMP DUTY

No transaction charge shall be deducted from the subscription amount for transactions /applications received through the distributors.

Pursuant to Notification No. S.O. 1226(E) and G.S.R. 226(E) dated March 30, 2020 issued by the Department of Revenue, Ministry of Finance, Government of India, read with Part I of Chapter IV of Notification dated February 21, 2019 issued by Legislative Department, Ministry of Law and Justice, Government of India on the Finance Act, 2019, a stamp duty @ 0.005% of the transaction value would be levied on allotment of Mutual Fund units including units allotted in demat mode. Accordingly, pursuant to levy of stamp duty, the number of units allotted on subscriptions (including reinvestment of IDCW) to the unitholders would be reduced to that extent.

D. ASSOCIATE TRANSACTIONS

Please refer to Statement of Additional Information (SAI)

E. TAXATION

For details on taxation please refer to the clause on Taxation in the SAI apart from the following:

Tax	Resident Investors (Individual/ HUF/Domestic Company) and Non-resident Investors (Non-corporates and foreign companies)	Mutual Fund
<u>Tax on IDCW</u>	10% (resident)^/20% (Non-resident) (Note 1)	Nil (Note 1)
<u>Capital Gains (Refer Note 3):</u> <u>Long Term-</u>	12.5% (without indexation) + applicable Surcharge^ + 4% Cess	Nil
<u>Short Term-</u>	20% + applicable Surcharge^ + 4% Cess	Nil

Note:

1. IDCW distribution tax is abolished w.e.f. 1st April 2020. Accordingly, IDCW will be taxed in the hands of investors. Section 393(1) (table sr. no. 4(i)) of Income Tax Act, 2025 covers tax deduction on IDCW.

Aditya Birla Sun Life Dividend Yield Fund

@Tax is not deductible if cumulative IDCW income in respect of units of a mutual fund is below Rs. 10,000/- in a financial year.

- The maximum surcharge is capped at 15% w.r.t. WHT on IDCW paid to non-resident non-corporate investors (namely individual, HUF, AOP, BOI, artificial judicial person etc.)
- Withholding taxes under section 393(2) is applicable on capital gains arising to non-residents.
- Equity Oriented Funds will also attract Securities Transaction Tax (STT) at applicable rates. Also, it is mandatory to pay STT for sale of the units for lower rate under section 198.
- For qualifying as a long-term capital asset the holding period of units should be more than 12 months.
- Surcharge rates are as under:

- In case of Resident Corporate Assesses (Domestic companies):

Sr no.	Particulars	Applicable Surcharge rate (For Resident Corporates)
